The San Pedro Community Plan update and proposed Community District Overlay will provide design and land use standards and will be a guide for future development and land use for the San Pedro area of Santa Fe County.

The San Pedro Community Plan update will be presented to the Santa Fe County Board of County Commissioners (BCC) to be considered for adoption by Resolution as an update to the Sustainable Growth Management Plan. The proposed San Pedro Community District Overlay will be considered for adoption as part of the Sustainable Land Development Code (SLDC) amendment process. The proposed zoning will also be presented to the BCC to be considered for adoption as part of the Official Zoning Map.
