## ***Mission Statement:***

***To plan, coordinate and support sustainable community-based programs,  
infrastructure and funding resources  
that have a positive and lasting impact  
on the health and well-being of women of childbearing age and their families.***

The County of Santa Fe makes every practical effort to assure that its meetings and programs are accessible to the physically challenged. Physically challenged individuals should contact Santa Fe County in advance to discuss any special needs (e.g. interpreters for the hearing impaired or readers for the sight impaired).
