Re: Resolution No. 2011 – A Resolution Requesting An Increase To The State Special Appropriations Fund (318) To Budget Authorized Funds From The Department of Finance and Administration (\$12,061.64) And To Bring Forward The FY2010 Unexpended Balance (\$1,800) For The Pojoaque Tennis Courts For A Total of \$ 13,861.64. (Community Services Department)

Background:

The County received state grant (07-L-G-5512) to plan, design and construct tennis courts on county land in Pojoaque in Santa Fe County. The Community Services Department spent the majority of the funds with the exception of \$12,061.64 which was identified as funds that would be reverted in the 2010 legislative session. In May of 2011, the Department of Finance reissued a grant agreement for the \$12,061.64 as funds that were not reverted by the Laws of 2010, Chapter 105 (SB182).

Action Requested:

Staff is requesting that the \$12,061.64 allocated in the amended agreement and the FY2010 unexpended balance of \$1,800 for the Pojoaque Tennis Courts be budgeted in the FY2011 budget for additional improvements to the Pojoaque Tennis Courts including benches and shade structures.

DETAILED JUSTIFICATION FOR REQUESTING BUDGET ADJUSTMENT (If applicable, cite the following authority: State Statute, grant name and award date, other laws, regulations, etc.):

- 1) Please summarize the request and its purpose.

The County received state grant (07-L-G-5512) to plan, design and construct tennis courts on county land in Pojoaque in Santa Fe County. CSD spent the majority of the funds with the exception of \$12,061.64 which was identified as funds that would be reverted in the 2010 legislative session. In May of 2011, the Department of Finance reissued a grant agreement for the \$12,061.64 as funds that were not reverted by the Laws of 2010, Chapter 105 (SB182). Staff is requesting that the \$12,061.64 allocated in the amended agreement be budgeted in the FY11 fiscal year for additional improvements to the Pojoaque tennis courts.

With grant 07-L-G-5512, identified above, CSD contracted to construct the foundation of the tennis courts in the 2010 fiscal year. The contractor billed for the work and supplies used which was less than the original purchase order amount. Therefore, the remaining funds of \$1,800 were liquidated. CSD is requesting that the \$1,800 be budgeted in the FY11 fiscal year for additional improvements to the Pojoaque tennis courts.

C. Bonds which are reissued upon transfer, exchange or other replacement shall bear interest from the most recent interest payment date to which interest has been fully paid or provided for in full or, if no interest has been paid, from the Series Date.

D. The principal of and interest on the Bonds due at maturity shall be payable to the registered owner thereof, as shown on the registration books kept by the Santa Fe County Treasurer as the registrar/paying agent (the "Registrar/Paying Agent") for the Bonds, upon maturity and upon presentation and surrender thereof at the principal office of the Registrar/Paying Agent. If any Bond shall not be paid upon such presentation and surrender at or after maturity, it shall continue to draw interest at the rate borne by the Bond until the principal thereof is paid in full. Payment of interest on the Bonds (other than at maturity) shall be made by check or draft mailed by the Registrar/Paying Agent (or by such other arrangement as may be mutually agreed to by the Registrar/Paying Agent and such registered owner), on or before each interest payment date (or, if such interest payment date is not a business day, on or before the next succeeding business day), to the registered owner thereof as of the close of business on the Record Date (defined below) at the address as it appears on the registration books kept by the Registrar/Paying Agent. All such payments shall be made in lawful money of the United States of America. The term "Record Date" as used herein with respect to any interest payment date shall mean the 15th day of the month preceding the interest payment date. The person in whose name any Bond is registered at the close of business on any Record Date with respect to any interest payment date shall be entitled to receive the interest payable thereon on such interest payment date notwithstanding any transfer or exchange thereof subsequent to such Record Date and prior to such interest payment date; but interest on any Bond which is not timely paid or duly provided for shall cease to be payable as provided above and shall be payable to the person in whose name such Bond is registered at the close of business on a special record date (the "Special Record Date") fixed by the Registrar/Paying Agent for the payment of any such overdue interest. The Special Record Date shall be fixed by the Registrar/Paying Agent whenever moneys become available for payment of overdue interest, and notice of any such Special Record

NO CLERK RECORDED 11/22/2011

Date shall be given not less than ten days prior thereto, by first-class mail, to the registered owners of the Bonds as of the fifth day preceding the mailing of such notice by the Registrar/Paying Agent, stating the Special Record Date and the date fixed for the payment of overdue interest.

E. The Bonds maturing on and after July 1, 2022, are subject to prior redemption at the County's option in one or more units of principal of \$5,000 on and after July 1, 2021 in whole or in part at any time, in such order of maturities as the County may determine, for the principal amount of each \$5,000 unit of principal so redeemed plus accrued interest to the redemption date ("Optional Redemption"). Optional Redemption shall be made upon prior notice mailed to each registered owner of each bond selected for redemption as shown on the registration books kept by the Registrar.

F. Notice of redemption of the Bonds will be given by the Registrar/Paying Agent by sending a copy of such notice by first-class, postage prepaid mail not less than 30 days prior to the redemption date to the address shown as of the fifth day prior to the mailing of notice on the registration books by the Registrar/Paying Agent. The Registrar/Paying Agent's failure to give such notice to the registered owner of any Bond, or any defect therein, shall not affect the validity of the proceedings for the redemption of any Bonds for which proper notice was given. The notice will specify the number or numbers and maturity date or dates of the Bonds to be redeemed (if less than all are to be redeemed) the principal amount of any Bond to be redeemed in part, the date fixed for redemption, and that on such redemption date there will become and be due and payable upon each Bond or part thereof to be redeemed, at the office of the Registrar/Paying Agent, the principal amount thereof to be redeemed plus accrued interest, if any, to the redemption date; and that from and after such date interest will cease to accrue on the principal amount redeemed. Such notice may be a conditional notice of redemption and the amount of money required to redeem the Bonds called for

SEC CLERK RECORDED 04/27/2011

redemption need not be on deposit with the Registrar/Paying Agent at the time notice of redemption is given. If notice is given in the manner provided above, the Bond or Bonds or part thereof called for redemption will become due and payable on the redemption date designated and, if an amount of money sufficient to redeem all Bonds called for redemption is on deposit with the Registrar/Paying Agent on the redemption date, the Bonds or part thereof to be redeemed shall be deemed to be not outstanding and will cease to bear or accrue interest from and after such redemption date. Upon presentation of a Bond to be redeemed at the office of the Registrar/Paying Agent on or after the redemption date, the Registrar/Paying Agent will pay such Bond, or portion thereof called for redemption.

Section 3. The Bonds shall constitute the general obligation bonds of the County, payable from general ad valorem taxes in amounts sufficient to meet the semi-annual payments of interest and annual payments of principal on the Bonds maturing in each year. The full faith and credit of the County shall be, and hereby is, irrevocably pledged to the payment of the principal of and interest on the Bonds.

Section 4. The Bonds shall bear the manual or facsimile signature of the Chairperson of the Board and shall be attested by the manual or facsimile signature of the Santa Fe County Clerk. The Bonds shall be authenticated by the manual signature of an authorized officer of the Registrar/Paying Agent. The Bonds bearing the signatures or facsimile signatures of the officers in office at the time of the signing thereof shall be the valid and binding obligations of the County, notwithstanding that, before the delivery of the Bonds and payment therefor, or before the issuance thereof upon transfer or exchange, any or all of the persons whose signatures appear on the Bonds shall have ceased to fill their respective offices. The Chairperson of the Board and the County Clerk shall, by the execution of a signature certificate pertaining to the Bonds, adopt as and for their respective signatures the facsimiles thereof appearing on the Bonds; and, at the time of the execution of the signature certificate, the Chairperson of the Board and County Clerk may each adopt as and for his or her facsimile signature the facsimile signature of his or her predecessor in office in the event that such facsimile signature appears upon any of the Bonds. If required for execution of the Bonds, the Chairperson of the Board

SFC CLERK RECORDED 04/22/2011

and the County Clerk, pursuant to Sections 6-9-1 through 6-9-6, NMSA 1978, shall each forthwith file his or her manual signature, certified by him or her under oath, with the Secretary of State of New Mexico, provided that such filing shall not be necessary for any officer where any previous filing shall have application to the Bonds.

No Bond shall be valid or obligatory for any purpose unless the certificate of authentication, substantially in the form hereinafter provided, has been duly executed by the Registrar/Paying Agent. The Registrar/Paying Agent's certificate of authentication shall be deemed to have been duly executed by it if signed by an authorized officer of the Registrar/Paying Agent, but it shall not be necessary that the same officer sign the certificate of authentication on all of the Bonds issued hereunder.

Section 5.

A. Books for the registration and transfer of the Bonds shall be kept by the Registrar/Paying Agent, which is hereby appointed by the County as registrar and as paying agent for the Bonds. Upon the surrender for transfer of any Bond at the principal office of the Registrar/Paying Agent, duly endorsed for transfer or accompanied by an assignment duly executed by the registered owner or his attorney duly authorized in writing, the Registrar/Paying Agent shall authenticate and deliver, not more than three business days after receipt of the Bond to be transferred, in the name of the transferee or transferees, a new Bond or Bonds in fully registered form of the same aggregate principal amount of authorized denominations, and of the same maturity, interest rate and series, bearing a number or numbers not contemporaneously outstanding. Bonds may be exchanged at the principal office of the Registrar/Paying Agent for an equal aggregate principal amount of Bonds of other authorized denominations, and of the same maturity, series and interest rate. The Registrar/Paying Agent shall authenticate and deliver, not more than three business days after receipt of the Bond to be exchanged, a Bond or Bonds which the registered owner making the exchange is entitled to receive, bearing a number or numbers not contemporaneously outstanding. Exchanges and transfers of Bonds as herein provided shall be without charge to the owner or any transferee, but the Registrar/Paying Agent may require the payment by the owner of any Bond requesting

REC CLERK RECORDED 5/22/2011

exchange or transfer of any tax or other governmental charge required to be paid with respect to such exchange or transfer.

B. The person in whose name any Bond shall be registered on the registration books kept by the Registrar/Paying Agent, shall be deemed and regarded as the absolute owner thereof for the purpose of making payment thereof and for all other purposes except as may otherwise be provided with respect to payment of overdue interest as is provided in Section 2 hereof; and payment of or on account of either principal or interest on any Bond shall be made only to or upon the written order of the registered owner thereof or his legal representative, but such registration may be changed upon transfer of such Bond in the manner and subject to the conditions and limitations provided herein. All such payments shall be valid and effectual to discharge the liability upon such Bond to the extent of the sum or sums so paid.

C. If any Bond shall be lost, stolen, destroyed or mutilated, the Registrar/Paying Agent shall, upon receipt of the mutilated Bond and such evidence, information or indemnity relating thereto as it may reasonably require and as may be required by law, authenticate and deliver a replacement Bond or Bonds of a like aggregate principal amount of authorized denominations, and of the same maturity, interest rate and series, bearing a number or numbers not contemporaneously outstanding. If such lost, stolen, destroyed or mutilated Bond shall have matured, the Registrar/Paying Agent may pay such Bond in lieu of replacement.

D. The officers of the County are authorized to deliver to the Registrar/Paying Agent fully executed but unauthenticated Bonds in such quantities as may be convenient to be held in custody by the Registrar/Paying Agent pending use as herein provided.

E. Whenever any Bond shall be surrendered to the Registrar/Paying Agent upon payment thereof, or to the Registrar/Paying Agent for transfer, exchange or replacement as provided herein, such Bond shall be promptly cancelled by the Registrar/Paying Agent, and counterparts of a certificate of such cancellation shall be furnished by the Registrar/Paying Agent to the County.

F. Notwithstanding the above provisions of this Section, the Bonds may be issued or registered, in whole or in part, in book-entry form from time to time with no physical distribution of bond certificates made to the public, with the Depository Trust Company of New York, New York (the "Depository"), acting as securities depository for the Bonds. A single certificate for each maturity date of the Bonds issued in book-entry form will be delivered to the Depository and immobilized in its custody. The book-entry system will evidence ownership of the Bonds in authorized denominations, with transfer of ownership effected on the books of the Depository and its participants (the "Participants"). As a condition to delivery of the Bonds in book-entry form, the Purchaser will, immediately after acceptance of delivery thereof, deposit, or cause to be deposited, the Bond certificates with the Depository, registered in the name of the Depository or its nominee. Principal, premium, if any, and interest will be paid to the Depository or its nominee as the registered owner of the Bonds. The transfer of principal, premium, if any, and interest payments to Participants will be the responsibility of the Depository; the transfer of principal, premium, if any, and interest payments to the beneficial owners of the Bonds (the "Beneficial Owners") will be the responsibility of Participants and other nominees of Beneficial Owners maintaining a relationship with Participants (the "Indirect Participants"). The County will not be responsible or liable for maintaining, supervising or reviewing the records maintained by the Depository, Participants or Indirect Participants.

If (i) the Bonds are not eligible for the services of the Depository, (ii) the Depository determines to discontinue providing its services with respect to the Bonds, or (iii) the County determines that a continuation of the system of book-entry transfers through the Depository ceases to be beneficial to the County or the Beneficial Owners, the County will either identify another similar depository to perform such functions or certificates for the Bonds will be delivered to the Beneficial Owners or their nominees, and the Beneficial Owners or their nominees, upon authentication of Bonds and registration of those Bonds in the Beneficial Owners' or nominees' names, will become the owners of the Bonds for all purposes. and Beneficial Owners of the substitute Depository or the issuance of bond certificates to Beneficial Owners or their nominees, as applicable.

Every such successor Registrar/Paying Agent shall be a bank or trust company located in and in good standing in the United States and having a shareholders equity (e.g., capital stock, surplus and undivided profits), however denominated, of not less than \$10,000,000.

Section 10. Section 11. The Chairperson of the Board, County Clerk, County Treasurer and other officers and employees of the County are hereby authorized and directed to take all action necessary or appropriate to effectuate the provisions of this Resolution, including without limiting the generality of the foregoing, the printing of the Bonds, the execution of letters and agreements with the Depository, the printing and execution of disclosure documents relating to the Bonds, the deposit of Bond proceeds and other legally available moneys necessary to redeem and pay the Series 2001A Bonds as provided in this Resolution, the payment of the costs of issuance of the Bonds, and such certificates as may be required by the Purchaser or bond counsel relating to, among other things, the signing of the Bonds, the tenure and identity of County officials, the receipt of the purchase price of the Bonds from the purchaser and the absence of litigation, pending or threatened, if in accordance with the facts, affecting the validity thereof and the absence and existence of factors affecting the exclusion of interest on the Bonds from gross income for federal income tax purposes.

In order to assist the Purchaser in complying with Securities and Exchange Commission Rule 15c2-12(b)(5), at the time of delivery of the Bonds, the County will undertake, pursuant to a written continuing disclosure agreement, to provide annual financial information and notices of certain events as specified in that continuing disclosure agreement.

Section 12. The County covenants that it will restrict the use of the proceeds of the Bonds in such manner and to such extent, if any, as may be necessary so that the Bonds will not constitute arbitrage bonds under Section 148 of the Internal Revenue Code of 1986, as amended (the "Code"). The Chairperson of the Board, the Santa Fe County Treasurer and any other officer of the County having responsibility for the issuance of the Bonds shall give an appropriate certificate of the County, for inclusion in the transcript of proceedings for the Bonds, setting forth the reasonable expectations of the County regarding the amount and use of all the proceeds of the Bonds, the facts,

circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of interest on the Bonds.

The County covenants that it (a) will take or cause to be taken such actions which may be required of it for the interest on the Bonds to be and remain excluded from gross income for federal income tax purposes, and (b) will not take or permit to be taken any actions which would adversely affect that exclusion, and that it, or persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the Bonds to the governmental purpose of the borrowing, (ii) restrict the yield, as required, on investment property acquired with those proceeds, (iii) make timely rebate payments, if required, to the federal government, (iv) maintain books and records and make calculations and reports, and (v) refrain from certain uses of proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code. The Chairperson of the Board, Treasurer and other appropriate officers are hereby authorized and directed to take any and all actions, make calculations and rebate payments, and make or give reports and certifications, as may be appropriate to assure such exclusion of that interest.

Section 13. Any Bond and the interest thereon shall be deemed to be paid, retired, and no longer outstanding (a "Defeased Bond") hereunder when payment of the principal of such Bond, plus interest thereon to the due date (whether such due date be by reason of maturity, upon redemption, or other) either (a) shall have been made or caused to be made in accordance with the terms thereof (including the giving of any required notice of redemption), or (b) shall have been provided for on or before such due date by irrevocably depositing with or making available to a qualified depository for such payment (i) lawful money of the United States of America sufficient to make such payment or (ii) Government Obligations which mature as to principal and interest in such amounts and at such times as will ensure the availability, without reinvestment, of sufficient money to provide for such payment (as verified by a certified or registered public accountant), and when proper arrangements have been made by the County with a qualified depository for the payment of its services until all Defeased Bonds shall have become due and payable. At such time as a Bond shall be deemed to be a Defeased Bond

hereunder, such Bond and the interest thereon shall no longer be secured by, payable from, or entitled to the benefits of the ad valorem taxes herein levied and pledged as provided in this ordinance, and such principal and interest shall be payable solely from such money or Government Obligations.

Any moneys so deposited with the qualified depository may, at the written direction of the County, also be invested and re-invested in Government Obligations, maturing in the amounts and times required to make payments when due on the Defeased Bonds, and all income from such Government Obligations received by the qualified depository which is not required for the payment of the Defeased Bonds and interest thereon, with respect to which such money has been so deposited, shall be turned over to the County for use in accordance with law. The term "Government Obligations" means direct obligations of the United States of America, including obligations the principal of and interest on which are unconditionally guaranteed by the United States of America which may be United States Treasury Obligations such as its State and Local Government Series, which may be in book-entry form.

Section 14. The approval of the New Mexico Department of Finance and Administration as required by Section 6-15-11, NMSA 1978, as amended and supplemented from time to time, will be obtained prior to issuance and delivery of the Refunding Bonds (as defined in the preambles of this Resolution) to the purchaser.

Section 15. Moneys in any fund not immediately needed may be invested as provided by state law and applicable federal statutes and regulations, provided that the Board and the County hereby covenant to the purchasers and the holders of the Bonds from time to time that the County will make no use of the proceeds of the Bonds or any funds reasonably expected to be used to pay the principal of or interest on the Bonds which will cause the Bonds to be arbitrage bonds within the meaning of Section 148 of the Code, as amended, or which would adversely affect the tax status of interest on the Bonds under the Code. This covenant is for the benefit of the purchasers and the holders of the Bonds from time to time.

Section 16. The County has elected and does hereby declare its intent to exercise, on the behalf and in the name of the County, its option to redeem, on June 1,

2011, all of the outstanding Series 2001A Bonds maturing on and after July 1, 2012, at a redemption price equal to the principal amount of the outstanding Series 2001A Bonds to be optionally redeemed plus accrued interest to June 1, 2011.

Section 17. After any of the Bonds have been issued, this Resolution shall constitute a contract between the County and the holder or holders of the Bonds and shall be and remain irrevocable and unalterable until the Bonds and the interest thereon shall have been fully paid, satisfied and discharged, defeased or until such payment has been duly provided for.

Section 18. If any section, paragraph, clause or provision of this Resolution shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this Resolution.

Section 19. The following notice shall be published one time in a newspaper having general circulation in the County as soon as is practicable following the adoption hereof:

MEMORANDUM

Date: May 31, 2011

To: Santa Fe County Board of County Commissioners

Cc: Katherine Miller, County Manager

From: Teresa Martinez, Finance Director 

Subject: Request Approval of a Resolution for an Increase to the General Obligation Bond Debt Service Fund (401) to Budget Cash Carryover for Debt Service for the GOB Series 2011

Background:

The Santa Fe County General Obligation Improvement and Refunding Series 2011 bonds were issued on April 12, 2011. The purpose of the bond issuance was for the remaining \$16,500,000 of \$33,500,000 approved by voters in November of 2008 for County roads, water projects, Solid Waste transfer stations, open space and fire safety facilities. In addition, \$1,023,719 was issued to refund the General Obligation Series 2001A bonds. These bonds were sold after the fiscal year 2011 budget was prepared so the principal payment to complete the refunding was not part of the original budget. This request is to budget cash from the GOB Debt Service Fund (401) to complete the debt service payment and refunding of the General Obligation 2001A Series bonds.

Recommendation:

The Finance Division requests approval of a resolution to increase the General Obligation Bond Debt Service Fund (401) in the amount of \$2,900,000 for the debt service payment and refunding of General Obligation Bond Series 2001A.
