SUBJECT: Requesting BCC approval for a waiver from Section 1 of Ordinance No. 2012-5 to purchase a fire apparatus for the La Cienega Fire District in the amount of \$552,262 utilizing the Houston-Galveston Area Council cooperative purchasing agreement

ISSUE:

The Santa Fe County Fire Department requests Board of County Commission approval for a waiver from Section 1 of Ordinance 2012-5 to purchase a fully equipped fire apparatus for the La Cienega Fire District in the amount of \$552,262 utilizing the Houston-Galveston Area Council cooperative purchasing agreement.

BACKGROUND:

The Fire Department has identified a need to purchase a Pumper Fire Apparatus for the La Cienega Fire District. This need is identified in the Fire Department's Five Year Plan 2010-2014 as well as the Fire-Rescue Impact Fee Capital Improvement Plan. The Fire Apparatus is a Pierce Saber at a cost of \$552,262.00, which exceeds the \$250,000.00 threshold established by Santa Fe County Ordinance No. 2012-5. The funds for this purchase are derived from the La Cienega Fire District's Impact Fees and the New Mexico State Fire Protection Fund/La Cienega Fire District.

The design of this fire truck has been carefully managed by the Fire Department's Apparatus Specifications Committee. The volunteer and career members of the Specifications Committee spent many hours conducting research and designing a vehicle that is safe, durable, cost

effective, and provides a great benefit in managing service, repairs, and training. This fire truck will meet the needs of the Fire Department and Santa Fe County for many years to come.

RECOMMENDATION:

The Fire Department requests the Board of County Commissioners approve a waiver from Section 1 of Ordinance 2012-5 in order to purchase this Pumper Fire Apparatus utilizing the Houston-Galveston Area Council (HGAC) purchasing agreement. The HGAC is a governmental purchasing agreement that was instituted to reduce the burden of procurement on local governments and has been approved by the State of New Mexico Procurement Department for use by New Mexico Counties. The Santa Fe County Fire Department has used HGAC to make similar apparatus purchases in the recent past.
