Re: Resolution No. 2015-____, Award Resolution for the Santa Fe County, New Mexico
General Obligation Refunding and Improvement Bonds, Series 2015

Issue

The above-referenced resolution ("Award Resolution") must be approved in order to complete the sale of Santa Fe County, New Mexico General Obligation Refunding and Improvement Bonds, Series 2015 (the "Bonds"), in the anticipated principal amount of \$45,075,000. Final details concerning the Bonds will be inserted into the Award Resolution on April 14, 2015, after the sealed bids for the Bonds are opened and the best bidder determined. (The Award Resolution is attached as Exhibit A.)

Background

At its March 31, 2015, meeting, the Board of County Commissioners ("BCC") approved Resolution No. 2015-49, a Notice of Sale Resolution for the General Obligation Refunding and Improvement Bonds, Series 2015. Among other things, Resolution 2015-49 authorized County staff and advisors to prepare a Preliminary Official Statement ("POS"), discussed in more detail below, and solicit bids for the Bonds. On April 14, 2015, before the BCC's meeting, Bids will be opened and the Award Resolution finalized with the final details of the Bonds.

The Bonds will be issued for the purpose of refunding, refinancing, paying and redeeming three general obligation bond issues as well as issuing \$8,000,000 in bonds which were approved by the voters in the November 6, 2012 general election. The total amount approved by voters in the 2012 election was \$35,000,000 of which \$19,000,000 were sold in the Series 2013 issuance. There remains an additional \$8,000,000 in approved bonding authority from the 2012 election which may be issued at a later date.

The three bond series to be refunded are the Series 2005A (outstanding in the amount of \$9,950,000), Series 2007A (\$18,550,000) and Series 2007B (\$14,300,000). The \$8,000,000 to be sold from the bonds authorized in the 2012 election will be used for roads projects (\$3,400,000), water and wastewater projects (\$2,600,000), and for open space projects (\$2,000,000).

There is a difference between Resolution No. 2015-49 and the Award Resolution that I wish to draw to your attention. Specifically, the outstanding amounts of the three bonds to be refunded as stated in the Award Resolution are higher than the amounts stated in Resolution No. 2015-49. This is due to the fact that Resolution No. 2015-49 allocated to each series to be refunded a portion of the premium we anticipate receiving as part of the sale of the Bonds. The Award Resolution corrects this. Moreover, the Award Resolution repeals any resolution in conflict with the Award Resolution, to the extent of such conflict. (Award Resolution, Section 17.)

POS

The POS attached as Exhibit B has been prepared in connection with the offering and sale of the Bonds. The POS makes various disclosures about the County, the Notice of Sale Resolution, the anticipated Award Resolution, and the Bonds. The POS will be reviewed by bidders for the Bonds and a final Official Statement will be provided to investors after the best bid is accepted by the BCC on April 14, 2015. **In the Award Resolution, the BCC expressly approves the POS and ratifies the preparation, distribution and use of the POS.** (Award Resolution, Section 1.) **Consequently and for the reasons discussed below, it is imperative that Commissioners carefully review the POS.**

The attached POS is similar to the one used when other general obligation bonds were issued by the County in 2013. The information has been updated by County staff. Peter Franklin of the Modrall Sperling Law Firm, the County's Bond and Disclosure Counsel and Erik Harrigan of RBC Capital Markets Corporation, the County's Financial Advisor, assisted in the disclosure process by assembling the information, attending disclosure conferences and reviewing the financial and economic data in the POS. In connection with the preparation of the POS, County staff has participated in due diligence meetings and conference calls. During those meetings and calls, we discussed, confirmed and updated information contained in the POS, examined information for materiality, and identified additional information for inclusion. If you have any questions relating to the disclosure process and preparation of the POS, please contact the County Manager or me.

Under regulations imposed by the U.S. Securities and Exchange Commission (the "SEC"), the POS must not contain any untrue statement of a material fact, or omit to state a material fact. A material fact is one that could influence an investor in making a decision to purchase the Bonds. The SEC recently increased emphasis on the quality of disclosures made in municipal bond offerings. The SEC has stated that responsibility for disclosures lies with the members of the governing body approving the issuance of municipal bonds, following this guiding principal:

"Public entities that issue securities are primarily liable for the content of their disclosure documents.... In addition to the government entity issuing municipal securities, public officials of the issuer who have ultimate authority to approve the issuance of securities and related disclosure documents have responsibilities under the federal securities laws as well. In authorizing the issuance of the securities and related disclosure documents, a public official may not authorize disclosure that the

official knows to be false; nor may the public official authorize disclosure while recklessly disregarding facts that indicate that there is a risk that the disclosure may be misleading."

Although County staff and the finance team collaborated in preparing the POS, each Commissioner should review it carefully. The POS is a BCC document, and the County and the BCC are responsible for its accuracy. Please use extra care in reviewing the sections labeled "INTRODUCTION," "SECURITY AND REMEDIES" and "THE COUNTY." In conducting your review, focus on whether the POS contains misleading statements of material facts or omits to state material facts. A material fact is one that could influence an investor in making a decision to purchase the Bonds.

After reviewing the POS, please contact me if you have any reason to believe that the POS contains any inaccurate information or if you know of anything that might make any of the statements made in the POS incomplete or misleading. Thank you for your attention to this important matter.

Recommendation

Assuming an acceptable bid is received and the BCC approves of the POS, the Finance Division recommends approval of Award Resolution.

B. The Bonds shall be dated the date of their delivery (herein the "Series Date"), will be issued in one series and shall consist of bonds numbered consecutively from R-1 upward, issuable in the denomination of \$5,000 each or integral multiples thereof (provided that no individual bond will be issued for more than one maturity); shall bear interest from the Series Date to maturity at the rates per annum set forth above for the Bonds, payable to the registered owner thereof, or registered assigns, on January 1, 2016, and semiannually thereafter on January 1 and July 1 in each year in which the Bonds are outstanding and shall mature on July 1 of each year set forth above.

C. Bonds which are reissued upon transfer, exchange or other replacement shall bear interest from the most recent interest payment date to which interest has been fully paid or provided for in full or, if no interest has been paid, from the Series Date.

D. The principal of and interest on the Bonds due at maturity shall be payable to the registered owner thereof, as shown on the registration books kept by the Santa Fe County Treasurer as the registrar/paying agent (the "Registrar/Paying Agent") for the Bonds, upon maturity and upon presentation and surrender thereof at the principal office of the Registrar/Paying Agent. If any Bond shall not be paid upon such presentation and surrender at or after maturity, it shall continue to draw interest at the rate borne by the Bond until the principal thereof is paid in full. Payment of interest on the Bonds (other than at maturity) shall be made by check or draft mailed by the Registrar/Paying Agent (or by such other arrangement as may be mutually agreed to by the Registrar/Paying Agent and such registered owner), on or before each interest payment date (or, if such interest payment date is not a business day, on or before the next succeeding business day), to the registered owner thereof as of the close of business on the Record Date (defined below) at the address as it appears on the registration books kept by the Registrar/Paying Agent. All such payments shall be made in lawful money of the United States of America. The term "Record Date" as used herein with respect to any interest payment date shall mean the 15th day of the month preceding the interest payment date. The person in whose name any Bond is registered at the close of business on any Record Date with respect to any interest payment date shall be entitled to receive the interest payable thereon on such interest payment date notwithstanding any transfer or exchange thereof subsequent to such Record Date and prior to such interest payment date; but interest on any Bond which is not timely paid or duly provided for shall cease to be payable as provided above and shall be payable to the person in whose name such Bond is registered at the close of business on a special record

date (the "Special Record Date") fixed by the Registrar/Paying Agent for the payment of any such overdue interest. The Special Record Date shall be fixed by the Registrar/Paying Agent whenever moneys become available for payment of overdue interest, and notice of any such Special Record Date shall be given not less than ten days prior thereto, by first-class mail, to the registered owners of the Bonds as of the fifth day preceding the mailing of such notice by the Registrar/Paying Agent, stating the Special Record Date and the date fixed for the payment of overdue interest.

E. The Bonds maturing on and after July 1, 2025, are subject to prior redemption at the County's option in one or more units of principal of \$5,000 on and after July 1, 2024 in whole or in part at any time, in such order of maturities as the County may determine, for the principal amount of each \$5,000 unit of principal so redeemed plus accrued interest to the redemption date ("Optional Redemption"). Optional Redemption shall be made upon prior notice mailed to each registered owner of each bond selected for redemption as shown on the registration books kept by the Registrar.

F. Notice of redemption of the Bonds will be given by the Registrar/Paying Agent by sending a copy of such notice by first-class, postage prepaid mail not less than 30 days prior to the redemption date to the address shown as of the fifth day prior to the mailing of notice on the registration books by the Registrar/Paying Agent. The County shall give the Registrar/Paying Agent notice of the Bonds to be called for redemption at least 15 days prior to the date that the Registrar/Paying Agent is required to give owners notice of redemption, which notice shall specify the Bonds and the principal amount to be called for redemption and the applicable redemption dates. The Registrar/Paying Agent's failure to give such notice to the registered owner of any Bond, or any defect therein, shall not affect the validity of the proceedings for the redemption of any Bonds for which proper notice was given. The notice will specify the number or numbers and maturity date or dates of the Bonds to be redeemed (if less than all are to be redeemed) the principal amount of any Bond to be redeemed in part, the date fixed for redemption, and that on such redemption date there will become and be due and payable upon each Bond or part thereof to be redeemed, at the office of the Registrar/Paying Agent, the principal amount thereof to be redeemed plus accrued interest, if any, to the redemption date; and that from and after such date interest will cease to accrue on the principal amount redeemed. Such notice may be a conditional notice of redemption and the amount of money required to redeem the Bonds called for redemption need not be on deposit with the Registrar/Paying Agent at the time notice of redemption is given. If notice is given in the manner provided above, the Bond or Bonds or part thereof called for redemption will become due and payable on the redemption date designated and, if an amount of money sufficient to redeem all Bonds called for redemption is on deposit with the Registrar/Paying Agent on the redemption date, the Bonds or part thereof to be redeemed shall be deemed to be not outstanding and will cease to bear or accrue interest from and after such redemption date. Upon presentation of a Bond to be redeemed at the office of the Registrar/Paying Agent on or after the redemption date, the Registrar/Paying Agent will pay such Bond, or portion thereof called for redemption.

Section 4. The Bonds shall constitute the general obligation bonds of the County, payable from general ad valorem taxes in amounts sufficient to meet the semi-annual payments of interest and annual payments of principal on the Bonds maturing in each year. The full faith and credit of the County shall be, and hereby is, irrevocably pledged to the payment of the principal of and interest on the Bonds.

Section 5. The Bonds shall bear the manual or facsimile signature of the Chairperson of the Board and shall be attested by the manual or facsimile signature of the Santa Fe County Clerk. The Bonds shall be authenticated by the manual signature of an authorized officer of the Registrar/Paying Agent. The Bonds bearing the signatures or facsimile signatures of the officers in office at the time of the signing thereof shall be the valid and binding obligations of the County, notwithstanding that, before the delivery of the Bonds and payment therefor, or before the issuance thereof upon transfer or exchange, any or all of the persons whose signatures appear on the Bonds shall have ceased to fill their respective offices. The Chairperson of the Board and the County Clerk shall, by the execution of a signature certificate pertaining to the Bonds, adopt as and for their respective signatures the facsimiles thereof appearing on the Bonds; and, at the time of the execution of the signature certificate, the Chairperson of the Board and County Clerk may each adopt as and for his or her facsimile signature the facsimile signature of his or her predecessor in office in the event that such facsimile signature appears upon any of the Bonds. If required for execution of the Bonds, the Chairperson of the Board and the County Clerk, pursuant to Sections 6-9-1 through 6-9-6, NMSA 1978, shall each forthwith file his or her manual signature, certified by him or her under oath, with the Secretary of State of New Mexico, provided that such filing shall not be necessary for any officer where any previous filing shall have application to the Bonds.

No Bond shall be valid or obligatory for any purpose unless the certificate of authentication, substantially in the form hereinafter provided, has been duly executed by the Registrar/Paying Agent. The Registrar/Paying Agent's certificate of authentication shall be deemed to have been duly executed by it if signed by an authorized officer of the Registrar/Paying Agent, but it shall not be necessary that the same officer sign the certificate of authentication on all of the Bonds issued hereunder.

Section 6.

A. Books for the registration and transfer of the Bonds shall be kept by the Registrar/Paying Agent, which is hereby appointed by the County as registrar and as paying agent for the Bonds. Upon the surrender for transfer of any Bond at the principal office of the Registrar/Paying Agent, duly endorsed for transfer or accompanied by an assignment duly executed by the registered owner or his attorney duly authorized in writing, the Registrar/Paying Agent shall authenticate and deliver, not more than three business days after receipt of the Bond to be transferred, in the name of the transferee or transferees, a new Bond or Bonds in fully registered form of the same aggregate principal amount of authorized denominations, and of the same maturity, interest rate and series, bearing a number or numbers not contemporaneously outstanding. Bonds may be exchanged at the principal office of the Registrar/Paying Agent for

an equal aggregate principal amount of Bonds of other authorized denominations, and of the same maturity, series and interest rate. The Registrar/Paying Agent shall authenticate and deliver, not more than three business days after receipt of the Bond to be exchanged, a Bond or Bonds which the registered owner making the exchange is entitled to receive, bearing a number or numbers not contemporaneously outstanding. Exchanges and transfers of Bonds as herein provided shall be without charge to the owner or any transferee, but the Registrar/Paying Agent may require the payment by the owner of any Bond requesting exchange or transfer of any tax or other governmental charge required to be paid with respect to such exchange or transfer.

B. The person in whose name any Bond shall be registered on the registration books kept by the Registrar/Paying Agent, shall be deemed and regarded as the absolute owner thereof for the purpose of making payment thereof and for all other purposes except as may otherwise be provided with respect to payment of overdue interest as is provided in Section 2 hereof; and payment of or on account of either principal or interest on any Bond shall be made only to or upon the written order of the registered owner thereof or his legal representative, but such registration may be changed upon transfer of such Bond in the manner and subject to the conditions and limitations provided herein. All such payments shall be valid and effectual to discharge the liability upon such Bond to the extent of the sum or sums so paid.

C. If any Bond shall be lost, stolen, destroyed or mutilated, the Registrar/Paying Agent shall, upon receipt of the mutilated Bond and such evidence, information or indemnity relating thereto as it may reasonably require and as may be required by law, authenticate and deliver a replacement Bond or Bonds of a like aggregate principal amount of authorized denominations, and of the same maturity, interest rate and series, bearing a number or numbers not contemporaneously outstanding. If such lost, stolen, destroyed or mutilated Bond shall have matured, the Registrar/Paying Agent may pay such Bond in lieu of replacement.

D. The officers of the County are authorized to deliver to the Registrar/Paying Agent fully executed but unauthenticated Bonds in such quantities as may be convenient to be held in custody by the Registrar/Paying Agent pending use as herein provided.

E. Whenever any Bond shall be surrendered to the Registrar/Paying Agent upon payment thereof, or to the Registrar/Paying Agent for transfer, exchange or replacement as provided herein, such Bond shall be promptly cancelled by the Registrar/Paying Agent, and counterparts of a certificate of such cancellation shall be furnished by the Registrar/Paying Agent to the County.

F. Notwithstanding the above provisions of this Section, the Bonds may be issued or registered, in whole or in part, in book-entry form from time to time with no physical distribution of bond certificates made to the public, with the Depository Trust Company of New York, New York (the "Depository"), acting as securities depository for the Bonds. A single certificate for each maturity date of the Bonds issued in book-entry form will be delivered to the Depository and immobilized in its custody. The book-entry system will evidence ownership of the Bonds in authorized denominations, with transfer of ownership effected on the books of the

Depository and its participants (the "Participants"). As a condition to delivery of the Bonds in book-entry form, the Purchaser will, immediately after acceptance of delivery thereof, deposit, or cause to be deposited, the Bond certificates with the Depository, registered in the name of the Depository or its nominee. Principal, premium, if any, and interest will be paid to the Depository or its nominee as the registered owner of the Bonds. The transfer of principal, premium, if any, and interest payments to Participants will be the responsibility of the Depository; the transfer of principal, premium, if any, and interest payments to the beneficial owners of the Bonds (the "Beneficial Owners") will be the responsibility of Participants and other nominees of Beneficial Owners maintaining a relationship with Participants (the "Indirect Participants"). The County will not be responsible or liable for maintaining, supervising or reviewing the records maintained by the Depository, Participants or Indirect Participants.

If (i) the Bonds are not eligible for the services of the Depository, (ii) the Depository determines to discontinue providing its services with respect to the Bonds, or (iii) the County determines that a continuation of the system of book-entry transfers through the Depository ceases to be beneficial to the County or the Beneficial Owners, the County will either identify another similar depository to perform such functions or certificates for the Bonds will be delivered to the Beneficial Owners or their nominees, and the Beneficial Owners or their nominees, upon authentication of Bonds and registration of those Bonds in the Beneficial Owners' or nominees' names, will become the owners of the Bonds for all purposes. In that event, the County shall mail an appropriate notice to the Depository for notification to Participants, Indirect Participants and Beneficial Owners of the substitute Depository or the issuance of bond certificates to Beneficial Owners or their nominees, as applicable.

Officers of the County are authorized to sign agreements with the Depository relating to the matters set forth in this Section.

Notwithstanding any other provision of this Resolution, so long as all of the Bonds are registered in the name of the Depository or its nominee, all payments of principal, premium, if any, and interest on the Bonds, and all notices with respect to the Bonds, shall be made and given by the Registrar/Paying Agent to the Depository as provided in this Resolution and by the Depository to its Participants or Indirect Participants and notices to the Beneficial Owners of the Bonds in the manner provided in an agreement or letter of the County to the Depository.

Section 7. If the Registrar/Paying Agent initially appointed hereunder shall resign, or if the County shall reasonably determine that the Registrar/Paying Agent has become incapable of fulfilling its duties hereunder, the County may, upon notice mailed to each registered owner of the Bonds at the address last shown on the registration books, appoint a successor Registrar/Paying Agent. Every such successor Registrar/Paying Agent shall be a bank or trust company located in and in good standing in the United States and having a shareholders equity (e.g., capital stock, surplus and undivided profits), however denominated, of not less than \$10,000,000.

Section 8. Subject to the registration provisions hereof, the Bonds hereby authorized shall be fully negotiable and shall have all the qualities of negotiable paper, and the registered owner or owners thereof shall possess all rights enjoyed by the holders of negotiable instruments under the provisions of the Uniform Commercial Code.

Section 9. The Bonds shall be in substantially the following form:

The Special Record Date shall be fixed by the Registrar/Paying Agent whenever moneys become available for payment of overdue interest, and notice of any such Special Record Date shall be given not less than ten days prior thereto, by first-class mail, to the registered owners of the Bonds as of the fifth day preceding the mailing of such notice by the Registrar/Paying Agent, stating the Special Record Date and the date fixed for the payment of overdue interest. If the Bonds are issued in book-entry only form, an authorized officer of the County and the applicable securities depository may make other arrangements for the payments on the Bonds.

The Bonds are fully registered and are issuable in denominations of \$5,000 and any integral multiple thereof (provided that no individual bond may be issued for more than one maturity).

The series of Bonds of which this bond is one is limited to the total principal amount of \$ _____ of like tenor except as to number, denomination, maturity date, and interest rate, issued by Santa Fe County, New Mexico. \$8,000,000 in principal amount of the Bonds represents the second series of general obligation bonds approved by the qualified electors of the County at an election held on November 6, 2012 to provide funds for: (1) the acquisition, construction, design and equipping of roads within the County; (2) the acquisition of real property and necessary water rights for, and construction, design, equipping, rehabilitation and improvement of water and wastewater projects within the County; and (3) the acquisition, design, construction, improvement, equipping and restoration of open space, trails and parks within the County. \$37,075,000 in principal amount of the Bonds is allocated to the refunding, refinancing, paying and redeeming the County's outstanding General Obligation Bonds, Series 2005A, Series 2007A and Series 2007B.

The Bonds are issued under the authority of and in full conformity with the Constitution and laws of the State of New Mexico (particularly Sections 4-49-1 *et seq.*, NMSA 1978, Sections 6-15-1 through 6-15-22 NMSA 1978, and acts amendatory and supplemental thereto), and pursuant to the resolution of the Board authorizing the publication of a notice of sale of the Bonds and duly adopted March 31, 2015 (the "Notice of Sale Resolution") and the resolution of the Board awarding the Bonds to the best bidder therefore and duly adopted on April 14, 2015

(the "Award Resolution" and, together with the Notice of Sale Resolution, the "Bond Resolution").

The Bonds maturing on and after July 1, 2025, are subject to prior redemption at the County's option in one or more units of principal of \$5,000 on and after July 1, 2024 in whole or in part at any time, in such order of maturities as the County may determine, for the principal amount of each \$5,000 unit of principal so redeemed plus accrued interest to the redemption date. Redemption shall be made upon prior notice mailed to each registered owner of each bond selected for redemption as shown on the registration books kept by the Registrar.

The Registrar/Paying Agent will maintain the books of the County for the registration of ownership of the Bonds. Upon the surrender for transfer of any Bond at the principal office of the Registrar/Paying Agent, duly endorsed for transfer or accompanied by an assignment duly executed by the registered owner or his attorney duly authorized in writing, the Registrar/Paying Agent shall authenticate and deliver, not more than three business days after receipt of the Bond to be transferred, in the name of the transferee or transferees, a new Bond or Bonds in fully registered form of the same aggregate principal amount of authorized denominations, and of the same maturity, interest rate and series, bearing a number or numbers not contemporaneously outstanding. Section 10. When the Bonds have been duly executed and authenticated, they shall be delivered to the lawful purchaser thereof named in Section 1 of this Resolution. \$8,000,000 in principal amount of the Bonds, representing the second series of general obligation bonds approved by the qualified electors of the County at an election held on November 6, 2012 shall be applied to Road Projects in the amount of \$3,400,000, to Water and Wastewater Projects in the amount of \$2,600,000 and to Open Space Projects in the amount of \$2,000,000. The Series 2015 Refunding Bonds shall be applied to the 2015 Refunding Project as shall be provided in an escrow agreement (the "Escrow Agreement") between the County and BOKF, NA, dba Bank of Albuquerque (the "Escrow Agent"). The purchaser of the Bonds shall in no manner be responsible for the application of or disposal by the County, or any of its officers, of any of the funds derived from the sale thereof.

Section 11. There shall be levied on all taxable property within the County, at the time and in the manner provided by law, in addition to all other taxes, direct annual ad valorem taxes sufficient to pay the principal of and interest accruing on the Bonds promptly as the same shall become due. This Resolution is hereby declared to be the certificate of the Board, as to the amount of taxes necessary to be levied for the purposes herein stated and said taxes shall be certified, levied and extended upon the tax rolls and collected in the same manner, at the same time and subject to the same penalties as general state and county taxes are certified, levied and collected. The taxes, when collected, shall be kept by the County in the County's interest and

sinking fund for the County's general obligation bonds to be used solely for the purpose of paying the principal of and interest on the County's general obligation bonds as the same become due or mature; provided that nothing herein contained shall be so construed as to prevent the application of any other funds belonging to the County and available for that purpose, to the payment of the Bonds or the interest thereon, as the same become due and upon such payment the levy or levies of tax provided for in this Section may thereupon to that extent be diminished. If the taxes herein provided for shall not be levied or collected in time to pay the interest on or principal of the Bonds as the same become due or mature, then such interest or principal shall be paid from any other funds belonging to the County, which funds may be reimbursed from the taxes herein provided for when the same are collected.

Section 12. The Chairperson of the Board, County Clerk, County Treasurer and other officers and employees of the County are hereby authorized and directed to take all action necessary or appropriate to effectuate the provisions of this Resolution, including without limiting the generality of the foregoing, the printing of the Bonds, the execution of letters and agreements with the Depository, the printing and execution of disclosure documents relating to the Bonds, the execution and delivery of the Escrow Agreement, the payment of the costs of issuance of the Bonds, and such certificates as may be required by the Purchaser or bond counsel relating to, among other things, the signing of the Bonds, the tenure and identity of County officials, the receipt of the purchase price of the Bonds from the Purchaser and the absence of litigation, pending or threatened, if in accordance with the facts, affecting the validity thereof and the absence and existence of factors affecting the exclusion of interest on the Bonds from gross income for federal income tax purposes.

In order to assist the Purchaser in complying with Securities and Exchange Commission Rule 15c2-12(b)(5), at the time of delivery of the Bonds, the County will undertake, pursuant to a written continuing disclosure agreement, to provide annual financial information and notices of certain events as specified in that continuing disclosure agreement.

The Board hereby approves the Continuing Disclosure Responsibilities Procedures attached to this Resolution as Exhibit A.

Section 13. The County covenants that it will restrict the use of the proceeds of the Bonds in such manner and to such extent, if any, as may be necessary so that the Bonds will not constitute arbitrage bonds under Section 148 of the Internal Revenue Code of 1986, as amended (the "Code"). The Chairperson of the Board, the Santa Fe County Treasurer and any other officer of the County having responsibility for the issuance of the Bonds shall give an appropriate certificate of the County, for inclusion in the transcript of proceedings for the Bonds, setting forth the reasonable expectations of the County regarding the amount and use of all the proceeds of the Bonds, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of interest on the Bonds.

The County covenants that it (a) will take or cause to be taken such actions which may be required of it for the interest on the Bonds to be and remain excluded from gross income

for federal income tax purposes, and (b) will not take or permit to be taken any actions which would adversely affect that exclusion, and that it, or persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the Bonds to the governmental purpose of the borrowing, (ii) restrict the yield, as required, on investment property acquired with those proceeds, (iii) make timely rebate payments, if required, to the federal government, (iv) maintain books and records and make calculations and reports, and (v) refrain from certain uses of proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code. The Chairperson of the Board, Treasurer and other appropriate officers are hereby authorized and directed to take any and all actions, make calculations and rebate payments, and make or give reports and certifications, as may be appropriate to assure such exclusion of that interest.

Section 14. Any Bond and the interest thereon shall be deemed to be paid, retired, and no longer outstanding (a "Defeased Bond") hereunder when payment of the principal of such Bond, plus interest thereon to the due date (whether such due date be by reason of maturity, upon redemption, or other) either (a) shall have been made or caused to be made in accordance with the terms thereof (including the giving of any required notice of redemption), or (b) shall have been provided for on or before such due date by irrevocably depositing with or making available to a qualified depository for such payment (i) lawful money of the United States of America sufficient to make such payment or (ii) Government Obligations which mature as to principal and interest in such amounts and at such times as will ensure the availability, without reinvestment, of sufficient money to provide for such payment (as verified by a certified or registered public accountant), and when proper arrangements have been made by the County with a qualified depository for the payment of its services until all Defeased Bonds shall have become due and payable. At such time as a Bond shall be deemed to be a Defeased Bond hereunder, such Bond and the interest thereon shall no longer be secured by, payable from, or entitled to the benefits of the ad valorem taxes herein levied and pledged as provided in this ordinance, and such principal and interest shall be payable solely from such money or Government Obligations.

Any moneys so deposited with the qualified depository may, at the written direction of the County, also be invested and re-invested in Government Obligations, maturing in the amounts and times required to make payments when due on the Defeased Bonds, and all income from such Government Obligations received by the qualified depository which is not required for the payment of the Defeased Bonds and interest thereon, with respect to which such money has been so deposited, shall be turned over to the County for use in accordance with law. The term "Government Obligations" means direct obligations of the United States of America, including obligations the principal of and interest on which are unconditionally guaranteed by the United States of America which may be United States Treasury Obligations such as its State and Local Government Series, which may be in book-entry form.

Section 15. Moneys in any fund not immediately needed may be invested as provided by state law and applicable federal statutes and regulations, provided that the Board and the County hereby covenant to the purchasers and the holders of the Bonds from time to time that

the County will make no use of the proceeds of the Bonds or any funds reasonably expected to be used to pay the principal of or interest on the Bonds which will cause the Bonds to be arbitrage bonds within the meaning of Section 148 of the Code, as amended, or which would adversely affect the tax status of interest on the Bonds under the Code. This covenant is for the benefit of the purchasers and the holders of the Bonds from time to time.

Section 16. After any of the Bonds have been issued, this Resolution shall constitute a contract between the County and the holder or holders of the Bonds and shall be and remain irrevocable and unalterable until the Bonds and the interest thereon shall have been fully paid, satisfied and discharged, defeased or until such payment has been duly provided for.

Section 17. All prior resolutions or other action of the Board inconsistent with the provisions of this Resolution are hereby repealed, but only to the extent of such inconsistency. If any section, paragraph, clause or provision of this Resolution shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this Resolution.

Section 18. The following notice shall be published one time in a newspaper having general circulation in the County as soon as is practicable following the adoption hereof:

A copy of the Official Notice of Meeting and Bond Sale is attached to this Official Statement as Appendix C.

Bond Registrar and Paying Agent

The County Treasurer will serve as the Bond Registrar (the "Registrar") and Paying Agent (the "Paying Agent") for the Bonds.

Payment of Principal and Interest; Record Date

The principal of the Bonds is payable to the registered owners of the Bonds at the principal office of the Paying Agent. Interest on the Bonds is payable by check or draft of the Paying Agent mailed on or before each interest payment date to the registered owners of the Bonds as of the close of business on the 15th day of the calendar month preceding the interest payment date (the "Regular Record Date") at the addresses appearing in the registration books maintained by the Registrar; but any such interest not so timely paid or duly provided for shall cease to be payable to the person who is the registered owner thereof at the close of business on the Regular Record Date and shall be payable to the person who is the registered owner thereof at the close of business on the date to be fixed by the Registrar whenever moneys become available for the payment of defaulted interest (the "Special Record Date").

* Preliminary, subject to change.

Optional Redemption of Bonds

The Bonds maturing on and after July 1, 2025 are subject to prior redemption at the County's option in one or more units of principal of \$5,000 on and after July 1, 2024, in whole or in part at any time, in such order of maturities as the County may determine (and by lot if less than all Bonds of such maturity is called, such selection by lot to be made by the Registrar in such manner as considered appropriate and fair) for the principal amount of each \$5,000 unit of principal so redeemed plus accrued interest to the redemption date.

Redemption Procedures

Notice of redemption shall be given by the Registrar by sending a copy of such notice by first-class, postage prepaid mail at least thirty (30) days prior to the redemption date to the registered owner of each Bond, or portion thereof, to be redeemed at the address shown as of the close of business of the Registrar on the fifth day prior to the mailing of notice on the registration books kept by the Registrar. The County shall give notice of optional redemption of the Bonds to the Registrar at least forty-five (45) days prior to the redemption date (unless such deadline is waived by the Registrar). The Registrar's failure to give such notice to the registered owner of any Bond, or any defect therein, shall not affect the validity of the proceedings for the redemption of any Bonds for which proper notice was given. Notices of redemption shall specify the maturity dates and the number or numbers of the Bonds to be redeemed (if less than all are to be redeemed) and if less than the full amount of any Bond is to be redeemed, the amount of such Bond to be redeemed, the date fixed for redemption, and that on such redemption date there will become and be due and payable upon each Bond to be redeemed at the office of the Paying Agent the principal amount to be redeemed plus accrued interest to the redemption date and that from and after such date interest will cease to accrue on such amount. Notice having been given in the manner hereinbefore provided, the Bond or Bonds so called for redemption shall become due and payable on the redemption date so designated and if an amount of money sufficient to redeem all Bonds called for redemption shall on the redemption date be on deposit with the Paying Agent, the Bonds to be redeemed shall be deemed not outstanding and shall cease to bear interest from and after such redemption date. Upon presentation of the Bonds to be redeemed at the office of the Paying Agent, the Paying Agent will pay the Bond or Bonds so called for redemption with funds deposited with the Paying Agent by the County.

Conditional Redemption

If money sufficient to pay the optional redemption price of the Bonds to be called for optional redemption is not on deposit with the Paying Agent prior to the giving of notice of optional redemption referred to above, such notice shall state such Bonds will be redeemed in whole or in part on the optional redemption date in a principal amount equal to that part of the optional redemption price received by the Paying Agent on the applicable optional redemption date. If the full amount of the optional redemption price is not received as set forth in the preceding sentence, the notice shall be effective only for those Bonds for which the optional redemption price is on deposit with the Paying Agent. If all Bonds called for optional redemption cannot be redeemed, the Bonds to be redeemed shall be selected in the manner deemed reasonable and fair by the County and the Registrar shall give notice, in the manner in which the original notice of optional redemption was given, that such money was not received. In that event, the Registrar shall promptly return to the Owners thereof the Bonds or certificates which it has received evidencing the part thereof which have not been optionally redeemed.

Exchange or Transfer of Bonds

The Registrar/Paying Agent will maintain the books of the County for the registration of ownership of the Bonds. Upon the surrender for transfer of any Bond at the principal office of the Registrar/Paying Agent, duly endorsed for transfer or accompanied by an assignment duly executed by the registered owner or his attorney duly authorized in writing, the Registrar/Paying Agent shall authenticate and deliver not more than three business days after receipt of the Bond to be transferred in the name of the transferee or transferees a new Bond or Bonds in fully registered form of the same aggregate principal amount of authorized denominations, and of the same maturity, interest rate and series, bearing a number or numbers not contemporaneously outstanding. Bonds may be exchanged at the principal office of the Registrar/Paying Agent for an equal aggregate principal amount of Bonds of other authorized denominations, and of the same maturity, series and interest rate. The Registrar/Paying Agent shall authenticate and deliver not more than three business days after receipt of the Bond to be exchanged a Bond or Bonds which the registered owner making the exchange is entitled to receive, bearing a number or numbers not contemporaneously outstanding. Exchanges and transfers of Bonds as herein provided shall be without charge to the owner or any transferee, but the Registrar/Paying Agent may require the payment by the owner of any Bond requesting exchange or transfer of any tax or other governmental charge required to be paid with respect to such exchange or transfer. See "THE BONDS – Book-Entry-Only System" herein for a description of the system to be utilized initially in regard to ownership and transferability of the Bonds.

Tax Covenants

In the Resolution, the County covenants for the benefit of the owners of the Bonds that it will restrict the use of the proceeds of the Bonds in such manner and to such extent, if any, as may be necessary so that the Bonds will not constitute arbitrage bonds under Section 148 of the Internal Revenue Code of 1986, as amended (the "Code").

The County further covenants that it (a) will take or cause to be taken such actions which may be required of it for the interest on the Bonds to be and remain excluded from gross income for federal income tax purposes, and (b) will not take or permit to be taken any actions which would adversely affect that exclusion, and that it, or persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the Bonds to the governmental purpose of the borrowing, (ii) restrict the yield, as required, on investment property acquired with those proceeds, (iii) make timely rebate payments, if required, to the federal government, (iv) maintain books and records and make calculations and reports, and (v) refrain from certain uses of proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code. See "TAX EXEMPTION" herein.

Book-Entry-Only System

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the County believes to be reliable, but the County takes no responsibility for the accuracy thereof.

The Depository Trust Company, New York, New York ("DTC"), will act as securities depository for the Bonds. One fully registered bond for each maturity, in the aggregate principal amount of such maturity, will be registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC, and will be deposited with DTC.

DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve

System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934, as amended. DTC holds securities that its participants ("Direct Participants") deposit with DTC. DTC also facilitates the settlement among Direct Participants of securities transactions, such as transfers and pledges, in deposited securities through electronic computerized book-entry changes in Direct Participants' accounts, thereby eliminating the need for physical movement of securities certificates. Direct Participants include securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations. DTC is owned by a number of its Direct Participants and by the New York Stock Exchange, Inc.; the American Stock Exchange, LLC; and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as securities brokers and dealers, banks and trust companies that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly, (the "Indirect Participants"). The rules applicable to DTC and its Direct and Indirect Participants are on file with the Securities and Exchange Commission.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser or each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interest in the Bonds, except in the event that the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds. DTC's records reflect only the identity of the Direct Participants to whose such accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct Participants will remain responsible for keeping account of their holdings on behalf of their customers.

For every transfer and exchange of Bonds or an interest therein, the Beneficial Owner may be charged a service charge together with a sum sufficient to cover any tax, fee or other governmental charge that may be imposed in relation thereto.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to Cede & Co. If fewer than all of the Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant to be redeemed.

Neither DTC nor Cede & Co. (nor such other DTC nominee) will consent or vote with respect to the Bonds. Under its usual procedures, DTC mails an Omnibus Proxy to the County as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing

attached to the Omnibus Proxy). Principal and interest payments on the Bonds will be made to DTC or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts, upon DTC's receipt of funds and corresponding detail information from the County or the Paying Agent on the payment date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC or the County, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to DTC or such other nominee as may be requested by an authorized representative of DTC is the responsibility of the County, disbursement of such payments to Direct Participants is the responsibility of DTC, and disbursements of such payments to the Beneficial Owners is the responsibility of Direct Participants and Indirect Participants.

So long as Cede & Co. or its registered assign is the registered owner of the Bonds, the County will be entitled to treat Cede & Co., or its registered assign, as the absolute owner thereof for all purposes of the Resolution and any applicable laws, notwithstanding any notice to the contrary received by the County, and the County will have no responsibility for transmitting payments to, communicating with, notifying, or otherwise dealing with any Beneficial Owners of the Bonds.

When reference is made to any action that is required or permitted to be taken by the Beneficial Owners, such reference relates only to those permitted to act by statute, regulation or otherwise on behalf of such Beneficial Owners for such purposes. When notices are given, they are to be sent to DTC, and the County does not have responsibility for distributing such notices to the Beneficial Owners.

The County does not have any responsibility or obligation to the DTC Participants or the Beneficial Owners with respect to (a) the accuracy of any records maintained by DTC or any DTC Participant; (b) the payment of DTC or any DTC Participant of any amount due to any Beneficiary Owner in respect of principal of and premium, if any, and interest on the Bonds; (c) the selection of the Beneficial Owners to receive payment in the event of any partial redemption of the Bonds; (d) any consent given or other action taken by DTC, or its nominee, Cede & Co., as Bond Owner; or (e) the distribution by DTC to DTC Participants or Beneficial Owners of any notices received by DTC as registered owner of the Bonds.

DTC may discontinue providing its services as securities depository with respect to the Bonds at any time by giving reasonable notice to the County. Under such circumstances, in the event that a successor securities depository is not obtained, bond certificates are required to be printed and delivered.

The County may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, bond certificates will be printed.

SECURITY AND REMEDIES

General

The Bonds are general obligations of the County payable from *ad valorem* taxes, which may be levied against all taxable property within the County without limitation of rate or amount. The Bonds are secured by the obligation of the Board of County Commissioners of the County to levy and collect upon all taxable property within the County a tax rate levy sufficient, together with other legally available revenues, to pay the debt service on the Bonds. Such annual levy for debt service creates a statutory tax lien that can be enforced personally against the owner of the property or enforced by sale of the property.

Neither the State nor any other political subdivision has any responsibility to pay the debt service on the Bonds.

Legal Matters

Various State laws and constitutional provisions apply to the assessment and collection of *ad valorem* property taxes. There is no assurance that there will not be any amendment, change in the interpretation of, or addition to the applicable laws, provisions and regulations that would have a material effect, directly or indirectly, on the affairs of the County.

Limitations on Remedies Available to Owners of Bonds

There is no provision for acceleration of maturity of the principal of the Bonds in the event of a default in the payment of principal of or interest on the Bonds. Consequently, remedies available to the owners of the Bonds may have to be enforced from year to year.

The enforceability of the rights and remedies of the owners of the Bonds, and the obligations incurred by the County in issuing the Bonds, are subject to the following: the federal bankruptcy code and applicable bankruptcy, insolvency, reorganization, moratorium, or similar laws relating to or affecting the enforcement of creditor's rights generally, now or hereafter in effect; usual equity principles, which may limit the specific enforcement under State law of certain remedies; the exercise by the United States of America of the powers delegated to it by the federal Constitution; and the reasonable and necessary exercise, in certain exceptional situations, of the police power inherent in the sovereignty of the State and its governmental bodies in the interest of serving a significant and legitimate public purpose. Bankruptcy proceedings, or the exercise of powers by the federal or State government, if initiated, could subject the owners of the Bonds to judicial discretion and interpretation of their rights in bankruptcy or otherwise, and consequently may entail risks of delay, limitation, or modification of their rights.

PURPOSE AND PLAN OF FINANCING

The Bonds will be issued in a principal amount of \$45,075,000*, of which \$37,075,000* in principal amount of the Bonds will be applied to refund, refinance and redeem, on July 1, 2015, the County's outstanding General Obligation Bonds, Series 2005A and to refund, refinance, pay and redeem, on July 1, 2016, the County's outstanding General Obligation Bonds Series 2007A and Series 2007B, and (3) pay a portion of the costs of issuance of the Bonds. \$8,000,000* in principal amount of the Bonds (the "Bonds"), representing the second series of general obligation bonds approved by the qualified electors of the County at an election held on November 6, 2012 to provide funds for (1) the acquisition, construction, design and equipping of roads within the County; (2) the acquisition of real property and necessary water rights for, and construction, design, equipping, rehabilitation and improvement of water and wastewater projects within the County; and (3) the acquisition, design, construction, improvement, equipping and restoration of open space, trails and parks within the County, will be allocated among those purposes and to pay a portion of the costs of issuance of the Bonds.

* The Loan Guaranty consists of a pledge by the County, in October, 2010, of an account (the "Lockbox Account") holding \$6,500,000, to Los Alamos National Bank (the "Bank") as security for repayment of a loan (the "Bank Loan") made by the Bank to Santa Fe Film and Media Studio, Inc. (the "Studio Developer") in connection with a local economic development project undertaken by the County, the State and the Studio Developer pursuant to the Local Economic Development Act, Sections 5-10-1 through 5-10-14 NMSA 1978, as amended. The Lockbox Account was funded with surplus County revenue in excess of the 3/12 budgetary reserve required by Section 7-20E-11 NMSA 1978. Under the Loan Guaranty, the maximum amount that the Bank can draw annually from the Lockbox Account is \$900,000. The County has no obligation to replenish any amounts drawn from the Lockbox Account by the Bank, and does not have the right to utilize the Lockbox funds for other County purposes while the Bank Loan is outstanding. The Studio Developer is obligated to reimburse the County for any amounts drawn from the Lockbox Account, which obligations are secured by a mortgage on the project property.

**Santa Fe County does not pay interest on the Loan/Grant Sharing Agreement, but pays a 0.25% annual administrative cost on the outstanding balance.

History of Assessed Valuation

In 2011 the County Assessor hired an outside consultant firm to assist in a 3-year detailed revaluation of all taxable parcels of real property within County for the purpose of bringing such parcels to current and correct values. The revaluation resulted in the identification of both new parcels and new construction which had not previously been included on the tax rolls, which increased valuation has been offset by significant declines in existing property values stemming from the housing crisis that impacted much of the United State and for which prior year assessed values had not accounted. As reflected in the following table, the revaluation resulted in a total reduction in assessed value by approximately 5.69% for tax year 2014.

Tax Year	City of Santa Fe	Santa Fe County
2010	\$3,698,558,947	\$6,916,059,553

Based upon preliminary values provided by the County Assessor the County Assessor anticipates total assessed value growth for 2015 at 2%.

Tax Rates

Article VIII, Section 2, of the New Mexico Constitution limits the total *ad valorem* taxes for operational purposes levied by all overlapping governmental units within the County to \$20.00 per \$1,000 of assessed value. This limitation does not apply to levies for public debt and levies for additional taxes if authorized at an election by a majority of the qualified voters of the County voting on the question. The following table summarizes the tax situation on residential property located within the County for 2014-2015 Fiscal Year and the previous four years. Except as required to meet debt service on general obligation bonds and as a result of application of the yield control statute, Section 7-37-7.1 NMSA 1978, the County expects no change in the level of its taxes in the foreseeable future but is unable to predict what overlapping entities might do. See "DEBT AND OTHER FINANCIAL OBLIGATIONS – Yield Control Limitation" herein. A high level of taxation may adversely impact the County's ability to repay bonds.

Yield Control Limitation

State law limits property tax increases from the prior property tax year. Specifically, no taxing entity may set a rate or impose a tax (excluding oil and gas production *ad valorem* and oil and gas production equipment *ad valorem* taxes) or assessment that will produce revenues that taxes exceed the prior year's tax revenues from residential and non-residential property multiplied by a "growth control factor." The growth control factor is the percentage equal to the sum of (a) "percent change I" plus (b) the prior property tax year's total taxable property value plus "net new value," as defined by Statute, divided by such prior property tax year's total taxable property value; but if that percentage is less than 100 percent, then the growth control factor is (a) "percent change I" plus (b) 100%. "Percent change I" is based upon the annual implicit price deflator index for state and local government purchases of goods and services (as published in the United States Department of Commerce monthly publication entitled "Survey of Current Business," or any successor publication) and is a percent (not to exceed 5%) that is derived by dividing the increase in the prior calendar year's index over the index for the calendar year next preceding the prior calendar year (unless there was a decrease, in which case zero is used) by the index for such calendar year next preceding the prior calendar year. *The growth control factor applies to authorized operating levies and to any capital improvements levies, but does not apply to levies for paying principal and interest on public general obligation debt.*

Limitations on Residential Property Tax Increases

A 1998 amendment to the State Constitution allows the State Legislature to enact legislation providing for the assessment of residential properties at levels different than the current estimated market value of a home on the basis of age, income, or home ownership. Section 7-36-21.2 NMSA 1978, as amended, limits increases in the value of residential property for taxation purposes beginning with the Tax Year 2001 (the "Statutory Valuation Cap"). The statute provides that, with respect to properties within a county assessing properties in the aggregate at or greater than 85% of their market value, a property's new valuation shall not exceed 103% of the previous year's valuation or 106.1% of the valuation two years prior to the tax year in which the property is being valued. This does not apply to residential properties in their first year of valuation, physical improvements made to the property or instances where the owner or the zoning of the property has changed in the year prior to the tax year for which the value of the property is being determined.

The Statutory Valuation Cap has been recently challenged in a number of venues. The constitutionality of the Statutory Valuation Cap has been challenged in a number of venues and the most recent challenge was certified to the New Mexico Court of Appeals. On March 28, 2012, the New Mexico Court of Appeals upheld the Statutory Valuation Cap and its application under Section 7-36-21.2 NMSA 1978. The Court of Appeals ruling has been appealed to the New Mexico Supreme Court. The final judicial resolution of this issue could have a material effect on how property is valued within the County and related property tax collections.

Other amendments to State laws affecting residential property taxes are proposed from time to time and may be proposed in the future by the Legislature. Such amendments, if enacted, could result in an increase to the tax rate imposed on residential property tax within the County in order to pay the principal of and interest on general obligation bonds issued by the County, including the Bonds.

Tax Collections on Locally Assessed and Centrally Assessed Property

General (*ad valorem*) taxes for all units of government are collected by the county treasurer and distributed monthly to the various political subdivisions to which they are due. Property taxes are due in two installments. The first half installment is due on November 10 and becomes delinquent on December 10. The second half installment is due on April 10 and becomes delinquent on May 10. Collection statistics for all political subdivisions for which each county treasurer collects taxes are presented here:

Interest on Delinquent Taxes

Pursuant to Section 7-38-49 NMSA 1978, if property taxes are not paid for any reason within thirty days after the date they are due, interest on the unpaid taxes shall accrue from the thirtieth day after they are due until the date they are paid. Interest accrues at the rate of one percent (1%) per month or any fraction of a month.

Penalty for Delinquent Taxes

Pursuant to Section 7-38-50 NMSA 1978, if property taxes become delinquent, a penalty of one percent of the delinquent tax for each month, or any portion of a month, they remain unpaid shall be imposed, but the total penalty shall not exceed five percent (5%) of the delinquent taxes. The minimum

penalty imposed is \$5.00. A county can suspend application of the minimum penalty requirement for any tax year.

If property taxes become delinquent because of an intent to defraud by the property owner, 50% of the property taxes due or \$50.00, whichever is greater, shall be added as a penalty.

Remedies Available for Non-Payment of Taxes

Pursuant to Section 7-38-47 NMSA 1978, property taxes are the personal obligation of the person owning the property on the date on which the property was subject to valuation for property taxation purposes. A personal judgment may be rendered against the taxpayer for payment of taxes that are delinquent, together with any penalty and interest on the delinquent taxes.

Taxes on real property are a lien against the real property. A lien runs in favor of the State and secures the payment of property taxes and any penalty and interest until such payments are made. Such lien is a first lien and paramount to any other interest in the property, perfected or unperfected. Pursuant to Section 7-38-65 NMSA 1978, delinquent taxes on real property may be collected by selling the real property on which taxes are delinquent.

Pursuant to Section 7-38-53 NMSA 1978, delinquent property taxes on personal property may be collected by asserting a claim against the owner(s) of the personal property for which taxes are delinquent.

Protest

Pursuant to Section 7-38-39 NMSA 1978, after receiving his or her property tax bill and after making payment prior to the delinquency date of all property taxes due in accordance with the bill, a property owner may protest the value or classification determined for his or her property for property taxation purposes, the allocation of value of his or her property to a particular governmental unit, the application to his or her property of an administrative fee adopted pursuant to Section 7-38-36.1 NMSA 1978 or a denial of a claim for an exemption by filing a claim for refund in the district court. Pursuant to Section 7-38-41 NMSA 1978, the portion of any property taxes paid to the County Treasurer that is not admitted to be due and is the subject of a claim for refund will be deposited in a "property tax suspense fund." Moneys in the property tax suspense fund may not be used for the payment of debt service on the Bonds.

FINANCES OF THE COUNTY

Budget Process

The County's budget is based on a fiscal year beginning July 1 and ending June 30 of the following year. The County Administration is responsible for preparing the budget. Prior to June 1, the Board is required to submit a working draft of the budget to the Local Government Division of the State Department of Finance and Administration (the "Finance Department") for its approval. By July 1 of the new fiscal year, the Finance Department approves and certifies to the County an operating budget for use pending approval of the final budget. Prior to August 1, the County submits a final budget to the Finance Department for approval. Prior to the first Monday in September, the Finance Department must certify the final budget with whatever adjustments it deems necessary to comply with State statutes. Approval of the Finance Department is required for all budget increases, cash transfers between funds, and budget transfers between departments or between funds. If adequate fund balances are available from the prior year, the County budgets expenditures in excess revenues. The County was awarded the National

Government Finance Officers' Association award for its Fiscal Years 2012, 2013 and 2014 budget presentations.

THE COUNTY

General

Santa Fe County (pop. 147,423, estimated 2013) is located in north central New Mexico and occupies a land area of 1,909 square miles. The City of Santa Fe, which is the state capital and a popular tourist community, is located within the County. Also located in the County are a variety of Native American Pueblos, agricultural villages, bedroom communities and ranching communities, spread over terrain that includes river valleys and mountain ranges. Forty percent of the land within the County is comprised of federal land (Native American, National Forest and Bureau of Land Management). The County offers year-round tourism possibilities, with a dry climate, national parks and forests, and historic landmarks as the principal attractions.

The economy of the County is based upon government and related activities, retail trade, tourism, arts and entertainment, and recreation.

Board of County Commissioners

The Board of County Commissioners consists of five individuals elected for four-year terms. The County is divided into five districts, each represented by an elected Commissioner. The function of the

County is briefly addressed in the grant of powers provided all New Mexico counties pursuant to Section 4-37-1 NMSA 1978. The function is "to provide for the safety, preserve the health, promote the prosperity and improve the morals, order, comfort and convenience of the county or its inhabitants." The Board oversees:

1. the assessment, collection and distribution of *ad valorem* taxes by an elected Assessor and Treasurer;
2. law enforcement by an elected Sheriff;
3. recording and filing by an elected County Clerk;
4. fire protection and ambulance service by County and Volunteer Fire Departments;
5. road construction and maintenance by the Public Works Department;
6. managerial and administrative services by an appointed County Manager; and
7. planning, health, welfare, recreation and cultural affairs by County staff and appointed citizen advisory boards.

The members of the Board of County Commissioners and their respective terms are as follows:

Member	Position	Term Expires
Robert A. Anaya	Chair	12/31/18
Miguel M. Chavez	Vice-Chair	12/31/16
Henry Roybal	Commissioner	12/31/18
Kathy Holian	Commissioner	12/31/16

From 2006 through August 2010, Ms. Miller was the Secretary of the Department of Finance and Administration under Governor Bill Richardson. She had previously served as director of the Mortgage Finance Authority as well as Deputy Chief of Staff of Policy and Projects under Governor Richardson. Ms. Miller has extensive experience in local, state and federal government finance and policy and has worked in the private sector managing finance programs and government contracts. Ms. Miller has a bachelor's degree in business from Wright State University in Dayton, Ohio. She previously worked as Santa Fe County's procurement manager from 1997 to 1999 and as finance director from 1999 to 2003.

Mr. Varela received his Bachelor's Degree in Business Administration from Colorado Technical University and is a member of Sigma Beta Delta honors society in Business.

Carole Jaramillo began her service with Santa Fe County in April of 2007 as an accountant. Since that time, Ms. Jaramillo has served as the payroll supervisor, then the budget administrator for six years before recently being named Finance Director. Prior to her experience at the County, Ms. Jaramillo spent her career in the not-for-profit sector serving various entities in financial capacities of accountant, assistant controller and finance director. Ms. Jaramillo studied Business Administration at George Mason University in Fairfax, Virginia and is an alumna of the Leadership New Mexico Local Government Leadership Program, serving on that program's curriculum committee.

Gregory S. Shaffer has served as County Attorney since May 5, 2014. Prior to moving to Santa Fe in 2004, he practiced in the field of complex commercial litigation in New York City, primarily with a national law firm. He began his career in public service when he moved to Santa Fe, working as an Assistant Santa Fe County Attorney for approximately two years and three months before working for the State of New Mexico for approximately seven years and nine months, primarily with the New Mexico Department of Finance and Administration ("DFA"). From November, 2010, to May, 2014, he was DFA's General Counsel. Mr. Shaffer is a 1997 graduate of the New York University ("NYU") School of Law, where he was a member of the editorial staff of NYU's Law Review.

Retirement

Substantially all full-time employees of the County participate in a public employee retirement system authorized under the Public Employees Retirement Act (Chapter 10, Article 11 NMSA 1978). The Public Employees Retirement Association (PERA) is the administrator of the plan, which is a cost sharing multiple-employer defined benefit retirement plan. The plan provides for retirement, disability benefits, survivor benefits and cost-of-living adjustments to plan members and beneficiaries.

Plan members (other than police and fire) are required to contribute 14.65% of their gross salary; police members are required to contribute 17.80%, and fire members are required to contribute 17.70% of their gross salary. The County is required to contribute 18.50% for police members, 21.25% for all fire members, and 9.15% for all other plan members. The County elects to contribute 10.99% for regular members, 10.15% for police members, and 13.27% for fire members of the employee required share of contributions. The contribution requirements of the plan members and the County are established in State statute under Chapter 10, Article 11, NMSA 1978. The requirements may be amended by acts of the legislature. The County's contributions to PERA for the years ended 2014, 2013, and 2012 were \$8.3M, \$7.5M and \$7.2M, respectively, which were equal to the amount of the contributions due for each year.

PERA issues a publicly available financial report that includes financial statements and additional information. A copy of this report can be obtained from PERA at www.pera.state.nm.us.

Source: PERA Comprehensive Annual Financial Report for the Year Ended June 30, 2013.

⁽¹⁾ Includes active, inactive and retired members from all divisions.

⁽²⁾ Includes accrued liability of both the retired and active members.

As of June 30, 2013, PERA has an amortization or funding period designated as infinite, based on the employer and member contribution rates in effect as of July 1, 2013. Member and employer rates are established pursuant to Sections 10-11-1 through 10-11-141 NMSA 1978. The funded ratio (ratio of the actuarial value of assets to accrued actuarial liability) was 72.90% as of June 30, 2013 and the unfunded accrued actuarial liability of the PERA Fund has been calculated to be approximately \$4.62 billion. The PERA Board has reviewed the results of its June 30, 2013 actuarial valuation, which indicates that either additional contributions or benefit reductions will be required in order to properly fund the PERA

retirement plans. In June 2012, the PERA Board approved a benefit-change package that is projected to result in 100% funded status for PERA by the year 2029. In the 2013 New Mexico legislative session, the Legislature passed a bill, which the Governor signed, that adjusts employee/employer contributions to PERA, cost of living adjustments going forward and benefits for new eligible employees under PERA. The PERA amendment is intended to produce a funded ratio of approximately 90% by 2042. However, the legislation contains many variables and an anticipated 7.75% rate of return on PERA's investments, which may not be realized.

New Mexico Retiree Health Care Authority

The County contributes to the State-sponsored New Mexico Retiree Health Care Fund, a cost-sharing multiple employer defined benefit postemployment healthcare plan administered by the Retiree Health Care Authority ("NMRHCA"). The NMRHCA administers the New Mexico Retiree Health Care Act, Sections 10-7C-1 through 10-7C-19 NMSA 1978, for the purpose of providing comprehensive group health insurance coverage for persons who have retired from certain public service in the State and eligible dependents. The RHCA plan is financed on a pay-as-you-go basis. The employer, employee and retiree contributions are required to be remitted to the RHCA on a monthly basis. The Retiree Health Care Act establishes the required contributions of participating employers. For employees who were members of an enhanced retirement plan during fiscal year 2014, the statute required each participating employer to contribute 2.50% of each participating employee's annual salary, and each participating employee to contribute 1.25% of their salary. For employees that were not members of an enhanced retirement plan during during fiscal year 2014, the statute required each participating employer to contribute 2.0% of each participating employee's annual salary, and each participating employee to contribute 1.0% of their salary. The County's contributions to the NMRHCA for the years ended June 30, 2014, 2013 and 2012 were \$780,883, \$733,493 and \$707,098, respectively, which equal the required contributions for each of those years.

County Insurance Coverage

The County maintains insurance on its assets and operations as is customary and adequate, in its opinion, for similar entities insuring similar operations and assets. The County carries workers compensation, general liability, auto damage, errors and omissions coverage, emergency medical and law enforcement liability with the New Mexico County Insurance Authority and volunteer fire fighters liability coverage through a third party private carrier. There can be no assurance, however, that the County will continue to maintain the present level of coverage or that the insurance maintained will be sufficient.

Services Available to County Residents

The County provides its residents with police and fire protection. Water service and sanitary sewer service are provided in certain unincorporated areas of the County, while other areas are served by private or community water systems. Electricity is supplied and distributed by Public Service Company of New Mexico. Telephone service is provided by CenturyLink. The County operates a solid waste collection and disposal system.

TAX EXEMPTION

In the opinion of Modrall, Sperling, Roehl, Harris & Sisk, P.A., Bond Counsel, to be delivered at the time of original issuance of the Bonds, under existing laws, regulations, rulings and judicial decisions, interest on the Bonds is excludable from gross income for federal income tax purposes. Additionally, interest on the Bonds is excludable from net income for purposes of certain State of New Mexico taxes imposed on individuals, estates, trust and corporations.

The Internal Revenue Code of 1986, as amended (the "Code"), imposes various restrictions, conditions and requirements relating to the exclusion from gross income for federal tax purposes of interest on obligations, such as the Bonds. The County has made various representations and warranties with respect to, and has covenanted in the Resolution and other documents, instruments and certificates to comply with certain guidelines designed to assure that interest on the Bonds will not become includible in gross income. Failure to comply with these covenants or the inaccuracy of these representations and warranties may result in interest on the Bonds being included in gross income from the date of the issue of the Bonds. The opinion of Bond Counsel assumes compliance with the covenants and the accuracy of such representations and warranties.

Although Bond Counsel will render an opinion that interest on the Bonds is not a specific preference item for purposes of the alternative minimum tax provisions contained in the Code, interest on

the Bonds will be included in the adjusted current earnings of certain corporations, and such corporation's adjusted current earnings over its alternative minimum taxable income (determined without regard to this adjustment and prior to reduction for certain net operating losses).

Although Bond Counsel will render an opinion that interest on the Bonds is excludable from gross income for federal income tax purposes, the accrual or receipt of interest on the Bonds may otherwise affect the federal income tax liability of the recipient. The extent of these other tax consequences will depend upon the recipient's particular tax status or other items of income or deduction. Bond Counsel expresses no opinion regarding any such consequences. Purchasers of the Bonds, particularly purchasers that are corporations (including S corporations and foreign corporations operating branches in the United States), property or casualty insurance companies, banks, thrifts or other financial institutions, certain recipients of Social Security or Railroad Retirement benefits, taxpayers otherwise entitled to claim the earned income credit, or taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry tax-exempt obligations are advised to consult their tax advisors as to the tax consequences of purchasing or owning the Bonds.

The opinions to be rendered by Bond Counsel will be based upon existing legislation as of the date of issuance and delivery of the Bonds, and Bond Counsel will express no opinion as of any date subsequent thereto or with respect to any pending legislation.

From time to time, there are legislative proposals in Congress that, if enacted, could alter or amend the federal tax matters referred to above or adversely affect the market value of the Bonds. It cannot be predicted whether or in what form any such proposal might be enacted or whether, if enacted, it would apply to bonds issued prior to enactment. Each purchaser of the Bonds should consult his or her own tax advisor regarding any pending or proposed federal tax legislation. Bond Counsel expresses no opinion regarding any pending or proposed federal tax legislation.

Original Issue Discount

The Bonds may be sold to the initial purchaser of the Bonds at discount from par ("original issue discount"). For federal income tax purposes, original issue discount on a Bond accrues periodically over the term of the Bond as interest with the same tax exemption and alternative minimum tax status as regular interest. The accrual of original issue discount increases the holder's tax basis in the Bond for determining taxable gain or loss from sale or from redemption prior to maturity. Holders of Bonds offered at an original issue discount should consult their tax advisors for an explanation of the accrual rules.

Original Issue Premium

The Bonds may be sold to the initial purchaser of the Bonds at a premium ("original issue premium") over their principal amount. For federal income tax purposes, original issue premium is amortizable periodically over the term of a Bond through reductions in the holders' tax basis in the Bond for determining taxable gain or loss from sale or from redemption prior to maturity. Amortizable premium is accounted for as reducing the tax-exempt interest on the Bond rather than creating a deductible expense or loss. Holders of Bonds offered at an original issue premium should consult their tax advisors for an explanation of the amortization rules.

Internal Revenue Service Audit Program

The Internal Revenue Service (the "Service") has an ongoing program auditing tax-exempt obligations to determine whether, in the view of the Service, interest on such tax-exempt obligations is

includable in the gross income of the owners thereof for federal income tax purposes. No assurances can be given as to whether the Service will commence an audit of the Bonds. If an audit is commenced, under current procedures the Service will treat the County as the taxpayer and the Bond owners may have no right to participate in such procedure. Neither the initial purchasers of the Bonds nor Bond Counsel is obligated to defend the tax-exempt status of the Bonds. The County has covenanted in the Resolution not to take any action that would cause the interest on the Bonds to lose its exclusion from gross income except to the extent described above for the owners thereof for federal income tax purposes. Neither the County, the Financial Advisor nor Bond Counsel is responsible to pay or reimburse the costs of any Bond owner with respect to any audit or litigation relating to the Bonds.

CONTINUING DISCLOSURE INFORMATION

The County will make a written undertaking for the benefit of the holders of the Bonds required by Section (b)(5)(i) of Securities and Exchange Commission Rule 15c2-12 under the Securities Exchange Act of 1934, as amended (17 CFR Part 240, Section 240.15c 2-12) (the "Rule"). The County undertakes to provide the following information:

- (a) Annual Financial Information;
- (b) Audited Financial Statements, if any; and
- (c) Event Notices.

While any Bonds are outstanding, the County will provide the Annual Financial Information on or before March 31 of each year (the "Report Date"), beginning March 31, 2014, to Municipal Securities Rulemaking Board's Electronic Municipal Market Access System ("EMMA") annually and to provide notice to EMMA of certain events, pursuant to the requirements of the Rule. It will be sufficient if the County provides to EMMA the Annual Financial Information by specific reference to documents previously provided to each Nationally Recognized Securities Information Repository and state information depository, if any, or filed with the Securities and Exchange Commission and, if such a document is a "final official statement" within the meaning of the Rule, available from the Municipal Securities Rulemaking Board.

If the Audited Financial Statements are not provided as part of the Annual Financial Information, the County will provide the Audited Financial Statements when and if available while any Bonds are outstanding to EMMA.

If an Event occurs while any Bonds are outstanding, the County will provide an Event Notice in a timely manner not more than 10 business days after the Event to EMMA.

The County will provide in a timely manner to EMMA or the Municipal Securities Rulemaking Board notice of any failure by the County while any Bonds are outstanding to provide to EMMA Annual Financial Information on or before the Report Date, any changes in its fiscal year-end, or any amendment to its undertaking described in this section.

The following are the definitions of the capitalized terms used in this section:

"Annual Financial Information" means the financial information (which will be based on financial statements prepared in accordance with generally accepted accounting principles ("GAAP") for governmental units as prescribed by the Governmental Accounting Standards Board ("GASB") or operating data with respect to the County), provided at least annually, consisting of information of the

type set forth under the headings ""DEBT AND OTHER FINANCIAL OBLIGATIONS" and "FINANCES OF THE COUNTY" in this Official Statement. Such Annual Financial Information shall also include Audited Financial Statements, or if Audited Financial Statements are unavailable, then unaudited financial statements.

"Audited Financial Statements" means the County's annual financial statements, prepared in accordance with GAAP for governmental units as prescribed by GASB, which financial statements have been audited by such auditor as is then required or permitted by the laws of the State.

"Event" means any of the following events with respect to the Bonds:

- principal and interest payment delinquencies;
- non-payment related defaults, if material;
- unscheduled draws on debt service reserves reflecting financial difficulties;
- unscheduled draws on credit enhancements reflecting financial difficulties;
- substitution of credit or liquidity providers, or their failure to perform;
- adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Bonds, or other material events affecting the tax status of the Bonds;
- modifications to the rights of the holders of the Bonds, if material;
- bond calls, if material, or tender offers;
- defeasances;
- release, substitution or sale of property securing repayment of the securities, if material;
- rating changes;
- bankruptcy, insolvency, receivership or a similar event with respect to the County or an obligated person;
- the consummation of a merger, consolidation, or acquisition involving an obligated person or the sale of all or substantially all of the assets of the obligated person, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; and
- appointment of a successor or additional trustee, or a change of name of a trustee, if material.

"Event Notice" means written or electronic notice of an Event.

Unless otherwise required by law and subject to technical and economic feasibility, the County will employ such methods of information transmission as are requested or recommended by the designated recipients of the County's information.

The continuing obligation of the County to provide Annual Financial Information, Audited Financial Statements, if any, and Event Notices will be in effect from and after the issuance and delivery of the Bonds and will extend to the earliest of (i) the date all principal and interest on the Bonds has been paid or legally defeased pursuant to the terms of the Resolution; (ii) the date on which the County is no longer an "obligated person" with respect to the Bonds within the meaning of the Rule; or (iii) the date on which those portions of the Rule which require the undertaking are determined to be invalid by a court of competent jurisdiction in a non-appealable action, have been repealed retroactively or otherwise do not apply to the Bonds.

The County's undertaking described in this section may be amended from time to time, without the consent of any Bond owner upon the County's receipt of an opinion of independent counsel experienced in federal securities laws to the effect that such amendment:

- (a) is made in connection with a change in circumstances that arises from a change in legal requirements, a change in law or a change in the identity, nature or status of the County;
- (b) the undertaking, as amended, would have complied with the Rule at the time of the initial issue and sale of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any changes in circumstances; and
- (c) the amendment does not materially impair the interests of the owners of the Bonds.

Any Annual Financial Information containing amended operating data or financial information will explain, in narrative form, the reasons for the amendment and the impact of the change in the type of operating data or financial information being provided. If an amendment changes the accounting principles to be followed in preparing financial statements, the Annual Financial Information and Audited Financial Statements for the year in which the change is made will present a comparison between the financial statements or information prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

The obligations of the County under the undertaking described in this section are for the benefit of the owners (including beneficial owners) of the Bonds. Each owner is authorized to take action to seek specific performance by court order to compel the County to comply with its obligations under the undertaking, which action will be the exclusive remedy available to it or any other owner. The County's breach of its obligations under the undertaking will not constitute an event of default under the Resolution and none of the rights and remedies provided by the Resolution will be available to the owners with respect to such a breach.

Compliance with Prior Undertakings

The County has previously entered into continuing disclosure agreements in accordance with SEC Rule 15c2-12. The County did not timely file a Moody's rating change in August 2013 related to its County Gross Receipts Tax Bonds and Capital Outlay Gross Receipts Tax Bonds. The rating change resulted from a Moody's surveillance rating process. The rating change was disclosed on EMMA immediately following the discovery that the rating change had not been filed. The County anticipates that it will adopt a Continuing Disclosure compliance procedure policy on April 14, 2015. Except as indicated in this paragraph, the County believes that it has been in material compliance with the requirements of outstanding continuing disclosure agreements entered into in connection with bonds issued by the County over the past five years.

LITIGATION

At the time of the original delivery of the Bonds, the County will deliver a no-litigation certificate to the effect that no litigation or administrative action or proceeding is pending or, to the knowledge of the appropriate County officials, threatened, restraining or enjoining, or seeking to restrain or enjoin, the issuance and delivery of the Bonds, effectiveness of the Resolution, or contesting or questioning the proceedings and authority under which the Bonds have been authorized and are to be issued, sold, executed or delivered, or the validity of the Bonds.

RATINGS

The Bonds have received a rating of "___" from Standard & Poor's Ratings Services ("S&P"). An explanation of the significance of the rating given by S&P may be obtained from S&P at 55 Water Street, New York, New York 10041.

Such rating reflects only the views of S&P, and there is no assurance that such rating will continue for any given period of time after obtained or that such rating will not be revised downward or withdrawn entirely by the S&P if, in its judgment, circumstances so warrant. Any such downward revision or withdrawal of such rating may have an adverse effect on the market price of the Bonds. Neither the County (including its employees, advisors, and attorneys) nor the initial purchasers of the Bonds have undertaken any responsibility to bring to the attention of the owners of the Bonds any proposed change in or withdrawal of such rating once received or to oppose any such proposed revision.

LEGAL MATTERS

The legality of the Bonds will be approved by Modrall, Sperling, Roehl, Harris & Sisk, P.A., Albuquerque, New Mexico, Bond Counsel, whose unqualified opinion approving the legality of the Bonds will be furnished at the closing.

TRANSCRIPT AND CLOSING DOCUMENTS

A complete transcript of proceedings and a no-litigation certificate (described above under "LITIGATION") will be delivered by the County when the Bonds are delivered. The County will at that time also provide a certificate relating to the accuracy and completeness of this Official Statement.

ADDITIONAL INFORMATION

All summaries of the statutes, resolutions, opinions, contracts, agreements, financial and statistical data and other related reports described in this Official Statement are subject to the actual provisions of such documents. The summaries do not purport to be complete statements of such provisions and reference is made to such documents, copies of which are either publicly available or available for inspection during normal business hours at the offices of the County located at the County Administration Building, 102 Grant Avenue, Santa Fe, New Mexico 87504-0276 or at the offices of RBC Capital Markets, LLC, 6301 Uptown Blvd. NE, Suite 110, Albuquerque, New Mexico 87110.

APPENDIX A

OPINION OF BOND COUNSEL

_____, 2015

Board of County Commissioners
Santa Fe County, New Mexico

We have acted as bond counsel to Santa Fe County, New Mexico (the "County") in connection with the issuance of its \$ _____ General Obligation Refunding and Improvement Bonds, Series 2015 (the "Bonds") dated _____, 2015, with interest payable on January 1, 2016, and semi-annually thereafter on each January 1 and July 1 until maturity, and being bonds in registered form maturing on July 1 in the years 2016 through 20____, inclusive.

The Bonds will be issued in a principal amount of \$45,075,000*, of which \$37,075,000* in principal amount of the Bonds will be applied to refund, refinance and redeem, on July 1, 2015, the County's outstanding General Obligation Bonds, Series 2005A and to refund, refinance, pay and redeem, on July 1, 2016, the County's outstanding General Obligation Bonds Series 2007A and Series 2007B, and (3) pay a portion of the costs of issuance of the Bonds. \$8,000,000* in principal amount of the Bonds (the "Bonds"), representing the second series of general obligation bonds approved by the qualified electors of the County at an election held on November 6, 2012 to provide funds for (1) the acquisition, construction, design and equipping of roads within the County; (2) the acquisition of real property and necessary water rights for, and construction, design, equipping, rehabilitation and improvement of water and wastewater projects within the County; and (3) the acquisition, design, construction, improvement, equipping and restoration of open space, trails and parks within the County, will be allocated among those purposes and to pay a portion of the costs of issuance of the Bonds.

We have examined the transcript of proceedings (the "Transcript") relating to the issuance of the Bonds and the law under authority of which the Bonds are issued. Based on our examination, we are of the opinion that, under the law existing on the date of this opinion, subject to the provisions of federal bankruptcy law and other laws affecting creditors' rights:

1. The Bonds constitute valid and binding general obligations of the County, and the principal of and interest on the Bonds, unless paid from other sources, are to be paid from the proceeds of the levy of *ad valorem* taxes on all property within the County subject to *ad valorem* taxes levied by the County, which levy is unlimited as to rate or amount.

2. Assuming continuing compliance by the County with the requirements of the Internal Revenue Code of 1986, as amended (the "Code"), and with the covenants of the County regarding the use, expenditure and investment of Bond proceeds, interest on the Bonds is excludable from the gross income of the owners of the Bonds for purposes of federal income taxation. Interest on the Bonds is not treated as an item of tax preference for purposes of the alternative minimum tax imposed on individuals and corporations. However, interest on the Bonds is included as an adjustment in calculating corporate alternative minimum taxable income and may therefore affect a corporation's alternative minimum tax. Failure of the County to comply with its covenants and with the requirements of the Code may cause interest on the Bonds to become includable in gross income for federal income tax purposes retroactive to their date of issuance.

3. Interest on the Bonds is excludable from net income of the owners of the Bonds for purposes of the tax imposed on individuals, estates and trusts under the State Income Tax Act and for purposes of the tax imposed on corporations under the State Corporate Income and Franchise Tax Act.

Other than as described in this opinion, we have not addressed nor are we opining on the tax consequences to any person of the investment in, or the receipt of interest on, the Bonds.

The opinions expressed herein represent our legal judgment based upon existing legislation as of the date of issuance and delivery of the Bonds that we deem relevant to render such opinions and are not a guarantee of a result, and we express no opinion as of any date subsequent thereto or with respect to any pending legislation.

We are passing upon only those matters set forth in this opinion and are not passing upon the accuracy or completeness of any statement made in connection with any sale of the Bonds.

Respectfully,

APPENDIX B

incorporated herein by reference. In the event the Rules of Grant Street Group conflict with this Official Notice of Bond Sale, this Official Notice of Bond Sale shall prevail.

Bidding Parameters. Bidders are required to submit unconditional all-or-none bids specifying the rate of interest at which the bidder will purchase all of the 2015 Bonds. Interest shall be bid in multiples of 1/20th or 1/8th percentum and only one interest rate may be bid for each maturity of the 2015 Bonds. The maximum interest rate may not exceed 5% and the maximum interest rate specified for any maturity of the 2015 Bonds may not exceed the minimum interest rate specified for any maturity of the 2015 Bonds by more than 3 percent (3%). The maximum net effective interest rate of the 2015 Bonds shall not exceed ten percent (10%) per annum.

Term Bonds. A bidder may elect to have all or a portion of the 2015 Bonds scheduled to mature in consecutive years issued as one or more term bonds (the "Term Bonds") scheduled to mature in the latest of the consecutive years and subject to mandatory redemption requirements consistent with the schedule of serial maturities set forth in the Preliminary Official Statement, however, not less than all Bonds of the same serial maturity shall be converted to Term Bonds with mandatory redemption requirements.

Adjustment of principal amounts, modification or clarification prior to examination of bids. The County Manager, in consultation with the County's financial and bond advisors, in the County Manager's sole discretion and prior to the examination of bids, may (i) adjust the aggregate principal amount set forth herein or may adjust the principal amount of each series without increasing the aggregate principal amount of Bonds; (ii) adjust individual maturities; and/or (iii) modify or clarify any other term hereof, including the date on which bids for the 2015 Bonds will be received, by issuing a notification of the adjusted series, amounts, modification or clarification via Thomson Municipal News ("TM3") and/or Grant Street platform and/or Bloomberg Financial Services no later than 8:00 a.m., Mountain Time, on the Bid Date.

Adjustments to principal amounts after determination of best bid. The aggregate principal amount of the 2015 Bonds is subject to increase or reduction, and each scheduled maturity thereof is subject to increase or reduction, by the County Manager after the determination of the Best Bid (defined below). Such adjustments will be made within no more than two (2) hours after the end of the time of bid examination and will be in the sole discretion of the County. To cooperate with any adjustment in the principal amounts, the Purchaser is required to indicate by e-mail to Carole Jaramillo at cjaramillo@santafecountynm.gov or such other address as may be indicated by the County Manager within one-half (1/2) hour after the end of the time of bid examination, the amount of any original issue discount or premium on any maturity of the 2015 Bonds, the initial offering price of each maturity, and the amount received from the sale of the 2015 Bonds to the public that will be retained by the Purchaser as its compensation.

The County Manager, in consultation with the County's financial and bond advisors, may change the dollar amount bid by the Purchaser if the aggregate principal amount of the 2015 Bonds is adjusted as described below, but the interest rates specified by the Purchaser for all maturities will not change. The County Manager, in consultation with the County's financial and bond advisors, will make every effort to ensure that the percentage net compensation to the Purchaser (i.e., the percentage resulting from dividing (i) the aggregate difference between the offering price of the 2015 Bonds to the public and the price to be paid to the County, by (ii) the principal amount of the 2015 Bonds) does not increase or decrease from the amount of such compensation if no adjustment was made to principal amounts shown in the maturity schedule. The County will notify the Purchaser of the final principal amounts and the resulting adjusted prices no later than 12:00 p.m. Mountain Time on the day of the sale and award of the 2015 Bonds. THE

PURCHASER MAY NOT WITHDRAW OR MODIFY ITS BID ONCE SUBMITTED TO THE COUNTY FOR ANY REASON, INCLUDING, WITHOUT LIMITATION, AS A RESULT OF ANY INCREASE OR DECREASE IN THE FINAL PRINCIPAL AMOUNTS AND THE AGGREGATE PURCHASE PRICE OF THE 2015 BONDS.

Information Regarding Bids. Bidders may change and submit bids as many times as they wish during the bidding; provided, however, that each bid submitted subsequent to a bidder's initial bid must result in a lower true interest cost ("TIC") with respect to a bid when compared to the immediately preceding bid of such bidder. During the bidding, no bidder will see any other bidder's bid, but each bidder will be able to see its own ranking (i.e., "Leader," "Cover," "3rd," etc.).

Bids Constitute an Irrevocable Offer. Each bid submitted through Grant Street Group shall be deemed an irrevocable offer to purchase the 2015 Bonds on the terms provided in this Official Notice of Bond Sale and shall be binding upon the bidder.

Basis of Award. The 2015 Bonds will be sold to the bidder or bidders offering to purchase the same at the lowest true interest cost. The actuarial yield on the 2015 Bonds using the true interest cost method will be computed at that yield which, if used to compute the present value of all payments of principal and interest on the 2015 Bonds as of May 26, 2015, produces an amount equal to the aggregate bid price. Such calculation will be made based upon a 360-day year and a semiannual interval for compounding.

The winning bid or bids will be indicated on Grant Street Group and the auction results, as posted on such website, will be subject to verification by the County. The County will verify the auction results immediately following the close of the bidding period and notice of confirmation by the County of the winning bidder or bidders will be made by a posting on Grant Street Group stating "Auction Results Verified and Confirmed".

An award may be made by the County to any bidder in a principal amount less than the principal amount of the 2015 Bonds for which the bid is submitted. Further, in the event of an award by the County for a principal amount less than the principal amount the bidder submitted, any premium bid shall be ratably reduced. If two or more bids have the same true interest cost, the first bid submitted, as determined by reference to the time stamp displayed on Grant Street Group, shall be deemed to be the leading bid.

Sale Reservations. The County reserves the right (a) to reject any and all bids for any Bonds, (b) to reoffer any Bonds for public sale, and (c) to waive any irregularity or informality in any bid.

Good Faith Deposit Not Required to Bid. A good faith deposit will not be required in connection with the submission of any bid for the Series 2015 Bonds. The winning bidder will be required to submit a Bid Award Deposit (see "Bid Award Deposit" below).

Bid Award Deposit. Not later than 12:00 p.m., Mountain Time on April 14, 2015, the winning bidder is required to submit a Bid Award Deposit of \$902,000.00. All Bid Award Deposits must be made in good funds by wire transfer of the required amount to an account specified by the County Manager and provided to the winning bidder after the sale of the 2015 Bonds:

No interest will be paid by the County on the amount of the Bid Award Deposit. The proceeds of the Bid Award Deposit of the winning bidder will be applied to the purchase price of the Series 2015 Bonds, or in the event of the failure of a winning bidder to take up and pay for the 2015 Bonds in

compliance with the terms of the bid, at the option of the County, its Bid Award Deposit may be retained as liquidated damages, as partial payment of actual damages or as security for any other remedy available to the County.

Manner and Time of Delivery. The 2015 Bonds will be delivered to DTC for the account of the winning bidder or bidders at the expense of the County on May 26, 2015, or such later date as the County and the winning bidder may agree. Payment of the purchase price due at delivery must be made in Federal Reserve funds for immediate and unconditional credit to the County.

Continuing Disclosure Undertaking. The County has covenanted to provide, in a timely manner, on the Electronic Municipal Market Access (EMMA) Website maintained by the Municipal Securities Rulemaking Board notice of the occurrence of specified, material events. The County has not failed to comply with any of its previous undertakings under Rule 15c2-12, except as may be disclosed in the Preliminary Official Statement.

State Securities Laws. The County has taken no action to qualify the offer or sale of the 2015 Bonds under the securities laws of any state. Should any such qualification be necessary, the County agrees to cooperate with the winning bidder in such matters, provided that the County reserves the right not to consent to service of process outside its boundaries and expenses related to any such qualification shall be the responsibility of the winning bidder.

CUSIP Numbers. CUSIP numbers will be issued and printed on the 2015 Bonds at the expense of the County. Any error or omission in printing such numbers on the 2015 Bonds will not constitute cause for any winning bidder to refuse delivery of any Bond.

Legal Opinion, Certificates and Transcript. The validity and enforceability of the 2015 Bonds will be approved by the County's Bond Counsel. A copy of the form of the opinion of Bond Counsel is attached as an exhibit to the Preliminary Official Statement.

The purchaser of the 2015 Bonds will receive a certified transcript of legal proceedings which will include, among other items:

(a) a certificate of the County to the effect that, as of its date, the Preliminary Official Statement was deemed final within the meaning of Rule 15c2-12, except for the omissions permitted under Rule 15c2-12;

(b) a certificate of the County to the effect that there is no litigation pending or, to its knowledge, threatened affecting the validity of the 2015 Bonds as of the date of their delivery; and

(c) a certificate of the County to the effect that, as of the date of the Official Statement and at all times to and including the date of delivery of the 2015 Bonds, the Official Statement did not contain any untrue statement of a material fact or omit any statement of a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

Certification of Issue Price. Any winning bidder will be required to complete, execute, and deliver to the County (on or before the date of delivery of the 2015 Bonds) a certification as to issue price and certain other matters, substantially in the form to be furnished by Bond Counsel. By submitting its bid, each bidder agrees to complete, execute and deliver such certificate by the date of delivery of the 2015 Bonds if its bid is accepted. It will be the responsibility of the winning bidder to institute such syndicate reporting requirements, to make such investigation, and otherwise to ascertain the facts necessary to enable it to make such certification with reasonable certainty.

Postponement of Sale. The County reserves the right to postpone the date and time established for the receipt of bids. Any such postponement will be announced by posting on Grant Street Group prior to commencement of the bidding. If any date and time fixed for the receipt of bids and the sale of the 2015 Bonds is postponed, an alternative sale date and time will be announced at least one business day prior to such alternative sale date. On any such alternative sale date and time, any bidder may submit bids electronically as described above for the purchase of the 2015 Bonds in conformity in all respects with the provision of this Official Notice of Bond Sale, except for the date and time of sale and except for any changes announced by posting on Grant Street Group at the time the sale date and time are announced.

MEMORANDUM

DATE: *April 1, 2015*

TO: *Board of County Commissioners*

FROM: *Carole Jaramillo, Finance Director* 

VIA: *Adam Leigland, Public Works Department Director*
Katherine Miller, County Manager

ITEM AND ISSUE: *BCC Meeting April 14, 2015* 

Resolution 2015 - ____ A Resolution Requesting a Budget Increase to the GOB Series 2013 Fund (351) and the Capital GRT Fund (313) to Budget Approved Allocations for Various Capital Projects / \$10,926,534 (Finance/Carole Jaramillo)

SUMMARY:

The purpose of this resolution is to budget a portion of the capital project allocations approved by the Board of County Commissioners at its February 24, 2015 meeting.

BACKGROUND:

On February 10, 2015, the BCC held a Study Session and discussed capital project priorities and possible redirection of previously allocated funds to specific current projects with identified shortfalls and priority projects with unfunded needs. On February 24, 2015, the BCC approved formal allocations of funding. This action will bring budget some of the allocations for which there is an immediate funding need. The remainder will be budgeted in a subsequent meeting of the Board.

Further, on July 29, 2014, the BCC authorized the County Manager to apply for a federal grant under the Federal Lands Access Program (FLAP) for the Camino Real de Tierra Adentro Retracement Trail and allocated up to \$450,000 of the 14.56% local match. On September 23, the City of Santa Fe allocated \$150,000 of funding as local match to support the project. Recently, FLAP staff determined that the project cost is estimated at \$4,286,700. This increases the local match required to \$624,144. Accounting for the City portion, a total of \$474,144 is needed by Santa Fe County as a match for this project of which \$300,000 was allocated on February 24, 2015. This

BAR includes a reallocation of an additional \$174,144 of funding from the underfunded and stalled South Meadows Park budget. Approval of this item would authorize the County Manager to sign the amended El Camino Real Trail agreement, authorize allocation of \$474,144 to the El Camino Trail project, and budget a portion of the match amount required for the project.

It is important to note that some, but not all, of the approved project allocations have been budgeted. Some project allocations that were approved in February, 2015 will utilize funds from General Obligation Bonds that have not yet been issued or from FY2016 GRT; those projects will be budgeted once funds are available.

ACTION REQUESTED:

The Finance Division and the Public Works Department is requesting approval a budget increase of \$560,711 in the GOB Series 2013 Fund (351) and a net budget increase of \$10,365,823 in the Capital Outlay GRT Fund (313) for a total budget increase of \$10,926,534.

DETAILED JUSTIFICATION FOR REQUESTING BUDGET ADJUSTMENT (If applicable, cite the following authority: State Statute, grant name and award date, other laws, regulations, etc.):

- 1) Please summarize the request and its purpose.
In June of 2012, the Board of County Commission approved a list of Capital Projects to be funded from Capital Outlay GRT and proceeds from the 2012 Approved Bond for Capital Improvements. Public Works created an implementation schedule for the approved projects budgeting funds as needed. On February 10, 2015, the Board of County Commission held a special study session to develop a comprehensive financing strategy, using all types of funding available to create a successful long-term capital improvement program. At its February 24, 2015 meeting, the board formally approved the reallocation of funds from projects that were no longer viable to projects that had existing shortfalls and allocate additional funding per the plan presented at the February 10, 2015 special study session. This resolution will budget a portion of the funds as directed by the Board of County Commission that are needed in the short term.
