Subject: Request for Fire Apparatus.

Chief Black,

I am the Chief of Rabbit Ear Vol. Fire Department in Union County, New Mexico. We have a need for more structure fire apparatus in our district to improve our response to such incidents. As we are in a very rural county, our ability to acquire these types of apparatus is very difficult due to inadequate funding to support multiple purchases of new type 3 or higher apparatus. I have been in communication with Eric Lucero, Fleet Manager, Santa Fe County Fire department about the following fire engines that are available for donation:

1993 International 4800 4x4 Engine VIN number 1HTSEPCRXP490782 (Engine 2)
1993 Ford CLT Engine, VIN number 1FDYH81E6PVA20170 (Engine 22)

We are requesting a donation of these two apparatus from your department to ours, respectfully. This will help our overall response to fires within our county and help to increase our ISO points and subsequent funding in the future.

We appreciate your consideration for the donation to the Rabbit Ear Vol. Fire Department.

Respectfully,

Bobby Longwill
Fire Chief
