Re: Transfer of three fleet vehicles to Edgewood Police Department

The purpose of this memo is to inform you of a request made by the Edgewood Police Department, by their Police Chief Rodger P. Jimenez. The request is for three unmarked police vehicles, they will utilize in their patrol fleet. They will update equipment and graphics to suit their needs. I'd like to inform you that we do have three old unmarked CID vehicles that are no longer in use, the equipment in these units are obsolete and no longer can function for us without a great deal of additional money invested in them. All three are a 2015 Ford Taurus, please note that Ford Motor Company no longer produces the Ford Taurus and has not since 2019. I did inform Edgewood Police Department of the details of these units and they are still willing to accept them if this transfer is approved. Edgewood Police Department Request Letter and filled out Santa Fe County transfer forms are attached to this memo. These forms require Sheriff Mendoza's signature as well as the Chief of Police from Edgewood PD's signature which I can arrange, before being forwarded to County Finance – Fixed Assets. Thank you for your consideration. If you have any further questions please feel free to contact me 505-986-2466.
